4-A. DISCUSS FAÇADE AND BEAUTIFICATION IMPROVEMENT GOALS FOR THE 2021-2022 FISCAL YEAR

Action Taken: The Economic Development Commission approved for staff to pursue the implementation of a Façade and Beautification Improvement program as FY 2021-2022 goal.

Motion: Moved by Commissioner Alexander Fung and seconded by Billy Yeung motion carried by the following vote:

Ayes: Commissioner: Newman, Leung, Fung, Yeung, Wong
Noes: Commissioner: None
Absent: Commissioner: None
Abstain: Commissioner: None

Discussion: Per the Commissioner’s goal, staff developed and drafted a preliminary Commercial Façade Improvement program proposal. The program aims to encourage private investment by enhancing the physical "curb appeal" and increasing economic vitality within Monterey Park's commercial business shopping areas. This Program will promote the retention of existing businesses, attract new businesses, and increase property values. The Program's long-term objective is to improve commercial areas' appearance Citywide permanently. Staff provided the program overview and details, guidelines, and potential funding methods. Some of the discussions included the following:

- Commissioners asked to include the Business Improvement District (BID) Area as one of the targeted areas for Commercial Façade Improvement.
- Providing loans/grants specifically to participating Monterey Park Rewards businesses.
  - Implement a priority selection for Monterey Park Rewards businesses and providing them a higher loan/grant amount.
- Prioritizing funding specifically towards small businesses.
- Staff to consider hiring contractors with Monterey Park business license.
- Staff asked commissioners assistance in finding available funding sources.
- Commissioners requested staff to draft a guideline of the program, provide a timeframe, and the next steps.
- Staff will share a staff report once the program has been prepared for Council's review and approval.

In addition to the discussion regarding the implementation of a façade and beautification program, the Commissioner followed up on their previous request to expand their scope of work as more than just advisory members. Staff informed the commissioners there has been no updates, as there needs to be consultation with the city attorney and upper management on whether that is feasible. If feasible, the subject matter will need to be presented to Council for approval. Staff informed to the commissioner that one of the main challenges in seeking this request is the ramification it has on other commissions and that there needs to be consistency across the board.

4-B. DISCUSS EDAC’S SCOPE OF WORK AS VOLUNTEERS FOR THE MONTEREY PARK REWARDS PROGRAM

Action Taken: None for discussion purpose only.

Discussion: Previously, commissioners had expressed interest in representing the city towards marketing the Monterey Park Rewards program. Staff provided a preliminary overview of the scope of work for Monterey Park Rewards Volunteer opportunity. During the discussion, commissioners provided some suggestions towards the scope of work. In addition, commissioners requested that staff provide them a pitch they can utilize when marketing the program to businesses. Staff
informed the commissioners that staff is still working on finalizing documentation to onboard the commissioners as volunteers, so they can fully represent the city and the program. Staff will be finalizing documents and providing the volunteers the necessary guidelines to assist with marketing Monterey Park Rewards. Item 4-B will be further discussed during the next regular meeting on February 9, 2022, to discuss the next steps as volunteers.

5. **New Business** – None.

6. **Commission Communication** – None.
