

CITY OF MONTEREY PARK CONSOLIDATED PLAN AND FAIR HOUSING FOCUS GROUP MEETING

LET'S STRATEGIZE TOGETHER!

The City of Monterey Park is currently preparing its FY 2020-2024 Five-Year Consolidated Plan (ConPlan) and Assessment of Fair Housing (AFH). You are invited to engage with other community members to discuss and identify community needs.

WHAT ARE THE CONPLAN AND AFH?

The ConPlan & AFH are created every five years and will assist the City in identifying community needs. The planning process to create the ConPlan & AFH serves as the framework for community-wide dialogue to address housing, economic and community development priorities.

SHARE YOUR IDEAS!

Come and meet fellow stakeholders, community and business leaders, housing professionals and service providers to share your housing, non-housing and community development concerns and comments. Your participation will help identify and promote active discussion of neighborhood needs and priorities.

We are developing a five-year strategy and your comments will help us continue with effective programs that address community needs with new strategies!
