Two male suspects gained entry into the residence through a smashed side window. Suspects ransacked the residence and kept money from the upstairs bedroom. A tote bag was located with possible DNA evidence, which the victim confirmed did not belong to her. Video surveillance from a neighbor showed the suspects arrive in a Red Hyundai Elantra. One suspect was seen exiting the vehicle with a black tote bag approach the front door of the residence. A second suspect was also seen approaching the residence. The video then showed both suspects exit the front door of the residence carrying the items, then entered the awaiting suspect vehicle and drove away out of sight.

Suspect Vehicle: Possibly a 2013 Hyundai Elantra model, red in color, with lightly tinted windows and an unknown red sticker on the rear right window.

Loss: Small box containing \$1,200 cash.
