IMPARTIAL ANALYSIS OF MEASURE H

By Mary C. Wickham, County Counsel

Approval of Measure H ("Measure") would authorize the County of Los Angeles ("County") to impose a one-quarter percent (0.25%) special transactions and use tax on the gross receipts of any retailer from the sale of all personal property in the incorporated and unincorporated territory of the County ("Tax"). This Measure was placed on the ballot by resolution of the County Board of Supervisors ("Board") and, if approved, will result in the enactment of Ordinance No. 2017-0001 ("Ordinance").

Proceeds from the Tax will be used to generate ongoing funding to prevent and combat homelessness within Los Angeles County, including funding mental health, substance abuse treatment, health care, education, job training, rental and housing subsidies, case management and services, emergency and affordable housing, transportation, outreach, prevention, and supportive services for homeless children, families, foster youth, veterans, battered women, seniors, disabled individuals, and other homeless adults, consistent with the strategies developed through the Homeless Initiative adopted by the Board, and as otherwise directed by the Board to address the causes and effects of homelessness.

The Ordinance provides that the County shall contract with the California State Board of Equalization ("SBE") to administer the Tax. The Ordinance requires the SBE contract ensure the combined local transactions and use tax rate limit (currently two (2) percent) is not exceeded in any city or district such that the Tax, when aggregated with all other transactions and use taxes within the city or district subject to the combined rate limit will (1) not cause the rate of all such taxes to exceed the combined rate limit, (2) not cause any person subject to the Tax to pay more than combined rate, and (3) have no impact on the revenue received by each city and district from transactions and use taxes previously imposed. The Tax will commence the latter of the first day of the first calendar quarter that is more than 110 days after approval of this Measure or the first day of the first calendar quarter after the execution of the SBE contract ("Commencement Date"). The Tax will expire ten (10) years after the Commencement Date.

If this Tax is approved by voters, the County Auditor-Controller shall have an independent auditor prepare and file a report with the Board by December 31 of each year the Tax is imposed. The report shall state: (1) the amount of Tax revenues collected and expended each year; and (2) the status of any project and description of services or programs funded from proceeds of the Tax.

(Continued on next page)

IMPARTIAL ANALYSIS OF MEASURE H (Continued)

If approved, the Measure creates a Citizens' Oversight Advisory Board composed of five members appointed by the Board which shall review semi-annually all expenditures from the Tax, annually publish a complete accounting of all allocations each year, and submit periodic evaluations to the County.

The Tax proceeds shall be deposited into a special account, created and maintained by the County, and shall only be used for the specific purposes outlined in the Ordinance.

This Measure requires a two-thirds (2/3) vote for passage.

ARGUMENT IN FAVOR OF MEASURE H

Vote YES on Measure H to help end homelessness in L.A. County.

The growing homeless crisis is disrupting nearly every community in the county — compromising public health and safety and hurting local businesses. The longer we wait, the more expensive it will be to help the 47,000+ homeless population, including many women and children. We need to act now to help them get off the streets and into housing with services.

The Board of Supervisors, including Democrats and Republicans, unanimously voted to place Measure H on the ballot and declared a State of Emergency, with the support of a broad coalition of health and mental health service providers, business leaders, paramedics, firefighters, religious and neighborhood leaders because it will provide essential treatment and services to get the homeless off the street. They don't just need housing — they need health/mental health treatment, job training and counseling. Measure H would accomplish just that.

In just the first five years, the proceeds of Measure H would enable 45,000 families/individuals to exit homelessness into permanent housing and help an additional 30,000 families/individuals avoid homelessness.

— Over 4,000 local children are homeless, and they are sick four times more often and four times more likely to show delayed development. Measure H will work to ensure all children are protected.

— It is our duty to help the veterans who have sacrificed for us by assisting them in dealing with the effects of combat trauma and drug addiction, finding jobs, and making sure they have homes. Measure H will help stabilize the homeless veterans population.

— One in three of the homeless in L.A. County are women who are especially vulnerable to rape and assault. Measure H will help women get off the street.

Please do your part to help end homelessness throughout L.A. County and Vote YES on Measure H.

Except as provided in subparagraph 7, a retailer engaged in business in the County shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the County or participates within the County in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the County or through any representative, agent, canvasser, solicitor, subsidiary, or person in the County under the authority of the retailer.

7. "A retailer engaged in business in the County" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with section 9840) of the Vehicle Code. The agreement shall include that appropriate steps are taken by the Board of Equalization to ensure that the County tax imposed by this ordinance, when aggregated with all other transactions and use taxes imposed pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code within that district, will 1) not cause the rate of the transactions and use tax within the district to exceed the combined rate limit; 2) not cause any person subject to the tax imposed by this ordinance to pay more than the legally permissible combined

4.73.160 State Law Amendments.

All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

4.73.170 Amendment of Ordinance.

Except for amendments that would increase the tax rate, impose the tax on transactions and uses not previously subject to the tax (unless the amendment occurs pursuant to Section 4.73.160), extend the tax, or be inconsistent with the purposes of this ordinance, the Board of Supervisors may amend this ordinance without submitting the amendment to the voters for approval.

4.73.180 Enjoining Collection Forbidden.

The Chair of the Board of Supervisors is authorized to attest to the adoption of this ordinance by the voters of the County.

I hereby certify that the foregoing ordinance was PASSED, APPROVED and ADOPTED by the people of the County of Los Angeles voting on the 7th day of March, 2017.

STATEMENT OF RANDALL AVILA

CANDIDATE FOR MEMBER OF THE CITY COUNCIL

MONTEREY PARK CITY GENERAL MUNICIPAL ELECTION

Monterey Park is our home. I have lived here my entire life and care deeply about our city. That is why I'm running for City Council. I graduated from UCLA, work for UCLA Government and Community Relations and have been an active member of our community.

As Recreation and Parks Commissioner, I have worked to represent residents' interests by improving our parks and programs. I have also served in leadership of several charitable organizations.

Our city has great potential but City Hall is broken. Bickering and backroom deals have replaced real solutions.

We can make City Hall work for residents again but it will take new leadership to make City Hall more efficient and more effective, more responsive and more responsible.

I have the fresh ideas, problem solving ability and energy needed to move our city forward. I know how to work together and get things done.

My priorities are to grow our local economy by creating a business friendly environment to encourage investment in our community, fully support public safety to keep our streets safe and fix City Hall with new ethics and efficiency reforms.

I promise to be your voice on the City Council and represent all residents.

DECLARACIÓN DE RANDALL AVILA

CANDIDATO PARA MIEMBRO DEL CONCEJO MUNICIPAL

ELECCIÓN MUNICIPAL GENERAL DE LA CIUDAD DE MONTEREY PARK

Monterey Park es nuestro hogar. He vivido aquí toda la vida y me preocupa profundamente nuestra ciudad. Es por eso que me postulo para el Concejo Municipal. Me gradué en la UCLA, trabajo para Relaciones con el Gobierno y la Comunidad de la UCLA y he sido un miembro activo de nuestra comunidad.

Como Comisionado de Recreación y Parques, he trabajado para representar los intereses de los residentes mediante la mejora de nuestros parques y programas. También serví en el liderazgo de varias organizaciones de beneficencia.

Nuestra ciudad tiene gran potencial, pero el Ayuntamiento está roto. Las polémicas y los tratos detrás de bambalinas han reemplazado a las soluciones reales.

Podemos hacer que el Ayuntamiento trabaje nuevamente para los residentes, pero se requerirá nuevo liderazgo para lograr que el Ayuntamiento sea más eficiente y más efectivo, con más capacidad de respuesta y más responsable.

Tengo las ideas renovadas, la capacidad de resolver problemas y la energía necesarias para hacer avanzar a nuestra ciudad. Sé cómo trabajar en equipo y lograr que las cosas se hagan.

Mis prioridades son hacer crecer nuestra economía local mediante la creación de un medio ambiente apto para los comercios que aliente la inversión en nuestra comunidad, el apoyo pleno de la seguridad pública para mantener seguras nuestras calles y reparar el Ayuntamiento con nuevas reformas éticas y de eficiencia.

Prometo ser su voz en el Concejo Municipal y representar a todos los residentes.

STATEMENT OF PETER CHAN

CANDIDATE FOR MEMBER OF THE CITY COUNCIL

MONTEREY PARK CITY GENERAL MUNICIPAL ELECTION

Occupation: Councilmember

When I was elected to the City Council, there were many challenges. City Hall was open only four days a week. Important community services had been reduced or eliminated, and Police and Fire Department staff had been laid off.

We worked hard to make significant changes.

Today City Hall is open five days, and the Library and Langley Senior Center are open seven days. The Police Department has been upgraded and Monterey Park enjoys the lowest crime rate in the area. The Fire Department has earned Class 1 rating, reducing fire insurance rates for residents and businesses.

Monterey Park now operates on a balanced budget with a healthy reserve. Anticipated increased revenue from the Market Place, South Garfield Village, and the new hotels will improve on public safety. Solar energy and green ideas will be implemented. Roads will continue to be resurfaced and sidewalks repaired. Water mains and sewer lines will be replaced. Parks and swimming pools will be improved. Traffic congestions will be mitigated. Airplane noise will be reduced.

There is more work to be done and together we can continue to build on what we have accomplished. I would be honored to have your support. Re-elect Peter Chan for City Council.

DECLARACIÓN DE PETER CHAN

CANDIDATO PARA MIEMBRO DEL CONCEJO MUNICIPAL

ELECCIÓN MUNICIPAL GENERAL DE LA CIUDAD DE MONTEREY PARK

Ocupación: Miembro del Concejo

Cuando me eligieron para el Concejo Municipal, había muchos retos. El Ayuntamiento estaba abierto solo cuatro días a la semana. Servicios comunitarios importantes se habían reducido o eliminado, y se había despedido personal del Departamento de Policía y Bomberos.

Trabajamos con ahínco para hacer cambios importantes.

Hoy el Ayuntamiento está abierto cinco días, y la Biblioteca y el Centro para Personas Mayores Langley están abiertos siete días. El Departamento de Policía se ha mejorado y Monterey Park cuenta con la tasa de crímenes más baja de la zona. El Departamento de Bomberos ha sido clasificado como de Clase 1, lo cual redujo las tarifas del seguro contra incendios para los residentes y los comercios.

Monterey Park ahora opera con un presupuesto equilibrado con una reserva en buenas condiciones. El aumento previsto de los ingresos del Market Place, South Garfield Village, y los nuevos hoteles mejorará con seguridad pública. Se implementarán energía solar e ideas ecológicas. Los caminos seguirán siendo revestidos y las aceras reparadas. Se reemplazarán las líneas de suministro de agua y de alcantarillado. Se mejorarán parques y piscinas. Se mitigarán las congestiones de tráfico. Se reducirá el ruido de aviones.

Hay más trabajo por hacer y juntos podemos seguir aprovechando lo que hemos logrado. Estaría honrado de contar con su apoyo. Re-elija a Peter Chan para el Concejo Municipal.

STATEMENT OF MARGARET LEUNG

CANDIDATE FOR MEMBER OF THE CITY COUNCIL

MONTEREY PARK CITY GENERAL MUNICIPAL ELECTION

Age: 53

Occupation: Engineering Project Manager

I have dedicated my life to community service. With 30 years of experience as a licensed Project Management Professional, M.S. degreed engineer with management experience, former planning commissioner, community service organizer, Brightwood Neighborhood Watch Captain, wife, and mother, I am running to improve our quality of life by fighting LAX and FAA to reduce aircraft noise and pollution, by streamlining the city's permit system, and by reducing traffic congestion on our streets. Our City spends millions of dollars on consultant fees. I will stop the abuse.

I care deeply about my community. I founded a local "Friends of the Alzheimer's Association", created a student-engineering program through partnership with Pfizer, and presented arguments and solutions to the LAX Community Roundtable.

My husband David Ono, a Chemical Engineer, attended Brightwood Elementary school and the local high school. We choose to raise our seven-year old son Joey near Joey's Grandmother in the Brightwood neighborhood.

With my experience, I want to make Monterey Park a better place to live, work, and raise a family.

I have been endorsed by former Mayors Betty Tom Chu, Rita Valenzuela, Pat Reichenberger, Louise Davis, Frank Venti, and current Mayor Mitchell Ing.

I respectfully ask for your vote.

Nuestra Ciudad gasta millones de dólares en honorarios de consultores. Detendré el abuso.

Me preocupo profundamente por mi comunidad. Fundé una "Asociación de Amigos del Alzheimer" local, creé un programa de ingeniería para estudiantes a través de la asociación con Pfizer, y presenté argumentos y soluciones a la Mesa Redonda de la Comunidad de LAX.

STATEMENT OF HANS LIANG

CANDIDATE FOR MEMBER OF THE CITY COUNCIL

MONTEREY PARK CITY GENERAL MUNICIPAL ELECTION

It has been an honor serving these past 4 years as your Councilman and Mayor. Since I was elected in 2013, I have worked hard towards improving the quality of life for all Monterey Park residents. City Hall and Library hours have been restored, renovations have been completed for our parks, energy saving measures have been implemented at all city facilities, road and infrastructure repairs continue and I voted to add 2 new police officers to enhance public safety.

With the recent Monterey Park Marketplace groundbreaking, residents will soon have retail shopping with Costco, Home Depot, In-N-Out Burger and Starbucks. Our future Courtyard Marriott Hotel will also bring in much needed revenue to improve our infrastructure and renovate aging facilities like our pools and Langley Center.

I'll continue to work hard and dedicate myself to representing all the residents here in the great City of Monterey Park, bringing people together to make our city even stronger.

I'm proud to be supported by our local firefighters, Congresswoman Judy Chu and neighborhood leaders. I would be honored to have your vote on March 7th, too.

VOTE TO RE-ELECT COUNCILMAN HANS LIANG on Tuesday, March 7th.

Thank You.

DECLARACIÓN DE HANS LIANG

CANDIDATO PARA MIEMBRO DEL CONCEJO MUNICIPAL

ELECCIÓN MUNICIPAL GENERAL DE LA CIUDAD DE MONTEREY PARK

Ha sido un honor servir estos últimos 4 años como su Miembro del Concejo y Alcalde. Desde que me eligieron en 2013, he trabajado con ahínco para mejorar la calidad de vida para todos los residentes de Monterey Park. Se han restablecido los horarios del Ayuntamiento y la Biblioteca, se han completado renovaciones para nuestros parques, se han implementado medidas de ahorro de energía en todas las instalaciones municipales, continúan las reparaciones de caminos e infraestructura y voté para que se agreguen 2 nuevos oficiales de policía para mejorar la seguridad pública.

Con la reciente colocación de la piedra fundamental del Mercado de Monterey Park, los residentes pronto tendrán compras minoristas con Costco, Home Depot, In-N-Out Burger y Starbucks. Nuestro futuro Hotel Courtyard Marriott también aportará ingresos muy necesarios para mejorar nuestra infraestructura y renovar instalaciones anticuadas como nuestras piscinas y el Centro Langley.

Seguiré trabajando con ahínco y me dedicaré a representar a todos los residentes aquí en la fantástica Ciudad de Monterey Park, reuniendo a las personas para lograr que nuestra ciudad sea todavía más fuerte.

Me enorgullece contar con el apoyo de nuestros bomberos locales, la Congresista Judy Chu y líderes de vecindarios. Estaría honrado de contar con su voto el 7° de marzo, también.

VOTE PARA RE-ELEGIR AL CONCEJAL HANS LIANG el martes, 7° de marzo.

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE LL

Measure LL is the "Monterey Park Bruggemeyer Library Special Tax." If adopted by voters, Measure LL would replace an existing special tax that voters approved for funding the Bruggemeyer Library (via Measure C on the April 14, 1998 ballot). That special tax will expire on June 30, 2018.

Measure LL would impose an annual special tax as follows:

- \$25 on each single-family residential dwelling unit or each dwelling unit in a residential condominium project.
- \$50 on each parcel improved with two residential units, which is not a condominium project.
- \$75 on each parcel improved with three or more residential units, which is not a condominium project.
- \$75 on each parcel improvement with a nonresidential building.

These tax rates are the same as originally approved by voters in 1998. It is estimated that the special tax will generate annual revenue of \$500,000. Revenue generated from this special tax can only be used for the following purposes:

- Expanding library service hours.
- Increasing technology services.
- Acquiring books and materials.
- Improving the library facility and infrastructure via capital improvement projects.
- Funding maintenance and operating costs for the above library services, equipment, and infrastructure.

Tax revenue cannot be used for any other purpose. The special tax imposed by Measure LL would expire on July 1, 2037.

To be adopted, Measure LL must be approved by a 2/3 majority of the voters in the city of Monterey Park.

A "yes" vote on Measure LL favors the Measure.

A "no" vote on Measure LL opposes the Measure.

ARGUMENT IN FAVOR OF MEASURE LL

Monterey Park has one of the finest library buildings, thanks to the passage of a tax measure 20 years ago, that allowed us to rebuild. However, the Library will fall short of serving the needs of the community without extending the measure.

Our library gets heavy use by thousands of children, high school and college students, adults and seniors, each and every day. Our multi-ethnic library materials, literacy and citizenship programs, and technology classes are much in demand.

A Library Consultant Study revealed – compared to State and other similar sized cities' libraries, ours has fewer operating funds, fewer open hours, and the library lacks current and important books.

Measure LL will provide for increased open hours, improve the collection and have up-to-date technology. It will provide for physical improvements and more librarians and support staff to better serve our residents.

Without your vote:

- The library will be closed on weekends
- Books and materials will be inadequate
- Technology will become outdated
- Many programs may be reduced or eliminated.

MEASURE LL will only be used for library purposes, and will supplement, not replace, minimum guaranteed funding from the City. All five City Council Members support the library and unanimously approved the measure by placing it on the ballot.

The cost is \$25 per year for a home – the price of one dinner out. For a business parcel, it is \$75 per year.

THE LIBRARY is the focus of Monterey Park's cultural and educational life – a better library with exciting programs will enhance your property values by tens of thousands of dollars. We are an educationally conscious community, so please for the sake of the children and all of us living in Monterey Park,

PROPOSED ORDINANCE OF MEASURE LL

A PROPOSITION ADOPTING AN ORDINANCE TO RENEW A SPECIAL PARCEL TAX FOR LIBRARY SERVICES AT THE MONTEREY PARK BRUGGEMEYER LIBRARY.

The People of the City of Monterey Park do hereby ordain as follows:

SECTION 1: Chapter 3.42 of the Monterey Park Municipal Code ("MPMC") is amended in its entirety to read as follows:

"Chapter 3.42 LIBRARY SPECIAL TAX

§ 3.42.010 SHORT TITLE.

The tax imposed by chapter may be referenced as the "Monterey Park Bruggemeyer Library Special Tax."

§ 3.42.020 PURPOSE.

- A. The Monterey Park Bruggemeyer Library Special Tax is imposed to provide funds for the City to pay for:
1. Expanding Library service hours.
 2. Increasing technology services.
 3. Acquiring books and materials.
 4. Improving the library facility and infrastructure via capital improvement projects.
- B. The Monterey Park Bruggemeyer Library Special Tax may also fund maintenance and operating costs for the above services, equipment and infrastructure.
- C. This special tax is to supplement, not to replace, the City's general fund budget appropriation for the Library. The special tax funds are to be used for the above purposes and the City Council cannot reduce the current level of funding to the Library because of the additional funding provided by this chapter, except in declared financial emergencies with concurrence from the Library Board of Trustees.
- D. The City Council may provide for collection of the special tax in the same manner and subject to the same penalties as, or with, other charges and taxes fixed and collected by the City, or by the County of Los Angeles on behalf of the City. If the special tax is collected by the County on behalf of the City, the County may deduct its reasonable costs incurred in such service.
- E. The City's cost of enforcing and administering this chapter, including refunds, can be paid from the special tax revenue.

(Continued on next page)

PROPOSED ORDINANCE OF MEASURE LL (Continued)

§ 3.42.030 DEFINITIONS.

Unless the contrary is stated or clearly appears from the context, the following definitions will govern the construction of the words and phrases used in this Chapter. Words and phrases not defined below have the same meaning as set forth in Title 21 of this code.

“Administrator” means the city manager, or designee.

“Advancement” means only those general funds necessary to pay for services or goods authorized by this chapter, but for which insufficient funds have yet to be collected in the special fund due to tax collection cycles during the fiscal year.

“Apartment” has the same meaning as “multi-family dwelling” as defined in this code.

“Condominium project” means a condominium, a community apartment project, or a stock cooperative, as defined in Civil Code § 1351.

“Library” means the Monterey Park Bruggemeyer Library.

“Maintenance and operating costs” means all reasonable and necessary costs expended or incurred by the city for maintaining and operating the Library, calculated in accordance with generally accepted accounting principles including, without limitation:

- A. Those amounts necessary to maintain a “foundation program” which means those elements of library service which are basic to its function as a provider of information, education and cultural enrichment to all segments of the community including, without limitation, collection development and maintenance; lending services; information services such as databases, digital devices, technology equipment; and facility maintenance and administration. This may include, without limitation, amounts paid or payable from time to time for books (including electronic books); periodicals; reference materials; research materials; subscription services or other information sources; the reasonable expenses of management and repair and other expenses necessary to maintain and preserve the Library in good repair and working order, compensation of employees including, without limitation salaries, wages and benefits; fees of auditors, accountants, attorneys or engineers; and insurance premiums.
- B. Depreciation, replacement and obsolescence charges or reserve thereof.
- C. But does not mean costs to provide support services to the Library by any other department of the city or for costs of major capital improvements.

“Special Fund” means Library Special Tax Fund described within this chapter.

(Continued on next page)

PROPOSED ORDINANCE OF MEASURE LL (Continued)

§ 3.42.040 SPECIAL TAX.

A. There is imposed an annual special tax on each residential dwelling unit and nonresidential parcel within the city of Monterey Park for the purposes set forth in this chapter as follows:

- 1. \$25 on each single-family residential dwelling unit or each dwelling unit in a residential condominium project.
 - 2. \$50 on each parcel improved with two residential units, which is not a condominium project.
 - 3. \$75 on each parcel improved with three or more residential units, which is not a condominium project.
 - 4. \$75 on each parcel improvement with a nonresidential building.
- B. Except as otherwise provided, if in any fiscal year there is outstanding any bonded indebtedness issued on reliance on the revenue of this special tax, the annual special tax levy cannot decrease below the amount necessary for payment of that outstanding indebtedness and interest thereon.
- C. Except as otherwise provided, the annual special tax cannot be levied in any fiscal year in which the city council’s general fund budget and appropriations for the library is less than 5.3 percent of the city’s total general fund budget. Upon a four-fifths vote of the city council and the library board of trustees, the threshold percentage to levy the special tax in any fiscal year may be reduced to five percent. In determining the total general fund budget amount, the amount of any new or increased fees and charges approved after the calendar year 1997 will be deducted from such calculation and determination.

§ 3.42.050 SPECIAL FUND.

- A. A special fund is established designated the “Library Special Tax Fund.” Revenue collected pursuant to this chapter must be deposited into the special fund and be used exclusively as provided in this chapter for the purposes of which the tax is imposed, and for no other purposes. Nothing in this section prevents the City Council from disbursing from this special fund to reimburse the general fund if, and only if, money has been advanced from the general fund to pay for the uses provided for in this chapter.
- B. Any money raised by the special tax, including any interest accrued thereon, that remains unencumbered at the end of any fiscal year may be used in succeeding fiscal years for only the purposes stated in this chapter.

(Continued on next page)

PROPOSED ORDINANCE OF MEASURE LL (Continued)

§ 3.42.060 ADJUSTMENTS AND REFUNDS.

- A. Requests for adjustments involving imposition of this special tax must be filed with the administrator. Upon applicant's production of reasonably sufficient evidence of error in the computation of the tax or exemption therefrom, the administrator may cause the tax to be recalculated, and will so advise the Los Angeles County tax collector or other appropriate official.
- B. Whenever it is alleged that the amount of any tax was overpaid or paid more than once or has been erroneously or illegally collected or received by the city under this chapter, the refund procedure will be as follows:
1. No claim for refund of tax payment will be allowed in whole or in part unless filed with the city clerk within a period of three years from the date of the claimed overpayment. All such claims for refund of the amount of the overpayment must be filed on forms furnished, and in the manner prescribed by the administrator. Refunds may be made solely from the special tax revenues collected under this chapter.
 2. In the event the administrator denies the claim, he/she must notify the claimant pursuant to Government Code § 913.
 3. The administrator is authorized to settle claims involving the special tax, and the power to accept and record underpayments or overpayments of such tax. The administrator has the authority to make refunds of this tax.
 4. If the county of Los Angeles does not collect any tax due under this chapter, then the administrator has the power and duty to enforce all of the provisions of this chapter. In such cases, an assessment may be made against the owner of a parcel in the manner provided by law. Any unpaid tax due under this chapter is subject to all remedies provided under this code and as provided by applicable law.
 5. The special tax is due in two equal installments in accordance with the collection procedures of the Los Angeles County tax collector, with the first installment due November 1st and the second installment due in the next succeeding February 1st, in each fiscal year. The owner of land, at the time set forth in Revenue and Taxation Code §§ 405 and 2192 for each fiscal year, has a personal obligation to the city until the tax is paid for such fiscal year.
 6. The administrator may prepare a questionnaire to be served on the owner of a parcel subject to this special tax. The questionnaire may request information which would be useful to the administrator in the enforcement or administration of this chapter. The failure by an owner to provide the information requested within thirty days of receipt of the request, or the act of an owner in knowingly providing false information, is a misdemeanor.

(Continued on next page)

PROPOSED ORDINANCE OF MEASURE LL (Continued)

§ 3.42.070 EXEMPTIONS.

- A. The tax imposed by this chapter does not apply to:
1. Any person or service when imposition of the tax upon that person or service would violate a federal or state statute, the Constitution of the United States, or the Constitution of the state of California.
 2. The city.
 3. A tax-exempt nonprofit organization.
 4. Property owners if such owner receives a low income/life line exemption pursuant to a city council resolution adopted pursuant to Chapter 3.38 of this code.
 5. Property owners who have income, adjusted for family size, at or below eighty percent of the area median income as determined under the Section 8 Income Limits for Los Angeles County as published by the U.S. Department of Housing and Urban Development and applicable to the Community Development Block Grant Programs.
 6. Unimproved real property.
 7. Property owners who own a single-family dwelling unit or a dwelling unit in a residential condominium project and own a nonresidential non-residential parcel both subject to the tax imposed by this chapter may exempt one nonresidential non-residential parcel from this special tax.
- B. Except as otherwise provided, any person that is exempt from the tax imposed by this chapter must file an application with the administrator for an exemption. The application for a Tax exemption must be made upon a form approved by the administrator and state those facts, declared under penalty of perjury, which qualify the applicant for an exemption, and include the names of all utility service providers serving that person. If deemed exempt by the administrator, such person must give the administrator timely written notice of any change in utility service providers so that the administrator can properly notify the new utility service provider of the person's Tax exempt status.
- C. A person failing to comply with this section is not entitled to a refund of Tax remitted to the administrator from such person as a result of such non-compliance.

PROPOSED ORDINANCE OF MEASURE LL (Continued)

§ 3.42.080 SUSPENSION OR REDUCTION.

Nothing in this chapter requires the City Council to collect a tax; the city council may suspend or reduce tax rates imposed by this chapter by resolution after a public hearing.

§ 3.42.090 CITY COUNCIL AUTHORITY TO AMEND.

Unless voter approval is required by the California Constitution or applicable law, the City Council may exercise all applicable powers set forth in the Government Code including, without limitation, amending this chapter by ordinance upon three affirmative votes by its members. It may, in addition, adopt by ordinance or resolution such additional regulations that may be necessary to implement the purposes of this chapter.

§ 3.42.100 SUNSET CLAUSE.

This chapter is repealed and will become ineffective on July 1, 2037, unless the voters take additional action to extend the effectiveness of this chapter in accordance with applicable law.”

SECTION 2: Environmental Analysis. This Proposition is exempt from review under the California Environmental Quality Act (California Public Resources Code §§ 2100, et seq., “CEQA”) and CEQA regulations (14 California Code of Regulations §§ 15000, et seq.) because it establishes rules and procedures to implement government funding mechanisms; does not involve any commitment to a specific project which could result in a potentially significant physical impact on the environment; and constitutes an organizational or administrative activity that will not result in direct or indirect physical changes in the environment. Accordingly, this Proposition does not constitute a “project” that requires environmental review (see specifically 14 CCR § 15378(b)(4-5)).

SECTION 3: Interpretation. This Proposition must be interpreted so as to be consistent with all federal and state laws, rules, and regulations. If any section, sub-section, sentence, clause, phrase, part, or portion of this Proposition is held to be invalid or unconstitutional by a final judgment of a court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this Proposition. The voters declare that this Proposition, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would have been adopted or passed irrespective of the fact that any one or more sections, sub-sections, sentences, clauses, phrases, part, or portion is found to be invalid. If any provision of this Proposition is held invalid as applied to any person or circumstance, such invalidity does not affect any application of this Proposition that can be given effect without the invalid application.

PROPOSED ORDINANCE OF MEASURE LL (Continued)

SECTION 4: Severability. If any portion of this Proposition is held by a court of competent jurisdiction to be invalid, the remainder of the Proposition and the application of such provision to other persons or circumstances will not be affected thereby. We the People indicate our strong desire that: (i) the City Council use its best efforts to sustain and reenact that portion, and (ii) the City Council implement this Proposition by taking all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Proposition, and then adopting or reenacting such portion as necessary or desirable to allow imposition of the tax.

SECTION 5: Construction. This Proposition must be broadly construed in order to achieve the purposes stated in this Proposition. It is the intent of the voters that the provisions of this Proposition be interpreted or implemented by the City and others in a manner that facilitates the purposes set forth in this Proposition.

SECTION 6: Effective Date. This Proposition will enact and impose a special tax. Accordingly, it will be submitted to a general election on March 7, 2017 for voter approval. If 2/3 of voters vote in favor of this Proposition, it will become valid and binding ten days after the date that the City Council certifies the election results in accordance with Elections Code § 9217.

SECTION 7: Effective Date. The Mayor will sign this Proposition and the City Clerk will attest and certify to the passage and adoption of this Ordinance if 2/3 of the voters voting in the City’s general election on March 7, 2017 approve the Proposition.
