Motion: Moved by Commissioner Alexander Fung and seconded by Billy Yeung motion carried by the following vote:

Ayes: Commissioner: Leung, Fung, Yeung
Noes: Commissioner: None
Absent: Commissioner: Newman, Wong
Abstain: Commissioner: None

Discussion: Staff informed the commissioners while it as has been proposed to implement a façade and beautification program, where the program aims to encourage private investment by enhancing the physical "curb appeal" and increasing economic vitality within Monterey Park's commercial business shopping areas, City Management expressed some concerns. The primary concern of implementing the program is coming across businesses that may have code violation. For the city to even consider a program like this, the city would like to first address any potential code violation.

While this concern becomes a hurdle with moving the program along, the Commissioners inquired how they can go about getting the program approved. Staff informed to the Commissioners that the City would need to first address the code violation issue and work with the other departments to identify the buildings that may be in code violation. As a result, the goal can potentially be pushed to a later timeframe. The discussion transitioned to the the commissioners to bringing up the Economic Development Strategic Plan. The Commissioners suggested the following:

- Staff and Commissioners to guide dialogue and potential policy
- The city to hire a consultant to produce the strategic plan
- Requesting staff to do an RFP to hire a consultant
- Budgeting funds to put together the strategic plan
- Identifying how the Commissioners can get involved with the process
- Prioritizing for an updated Economic Development Strategic Plan, which will further assist them with moving the Façade and Beautification Improvement goals.

Commissioners requested to table further discussion of the Economic Development Strategic Plan for the next Regular Meeting.
