"Duty, Honor, Country, Courage" Exhibition: Honoring Asian Americans in Military Service

By Monterey Park Bruggemeyer Library staff

The Monterey Park Bruggemeyer Library will celebrate 250 years of American independence with a month-long exhibition highlighting the contributions of Asian Americans in the U.S. military. An opening reception for the "Duty, Honor, Country, Courage" exhibition will be held on Friday, July 3 at 12 p.m. in the Library Friends Room. The event will feature a panel discussion with Asian American veterans, followed by light refreshments. Afterwards, attendees are invited to explore the exhibition and talk to the curator.

The exhibition sprung from the joint efforts of local Vietnam veteran Peter Chow, founder of the National Organization of Asian American Veterans (NOAAV), and Montgomery Hom, founder of the Chinese American G.I. Project and a curator of historical exhibits at Los Angeles' Bob Hope Patriotic Hall. The two envisioned a national project dedicated to preserving, sharing and honoring the stories of Asian American veterans past and present.

The exhibition will feature rare military artifacts and tell the stories of local Asian American service members. Profiles will include Delbert Wong, who served as a B-17 navigator during World War II before becoming the first Asian American Superior Court judge in the early 1950s, and Vincent Okamoto, who distinguished himself as a platoon leader with the 25th Infantry Division in Vietnam, receiving the Distinguished Service Cross for valor, then later serving as a prosecutor and Los Angeles Superior Court judge.

The "Duty, Honor, Country, Courage" exhibition will be on display in the Monterey Park Bruggemeyer Library lobby from July 3 through July 31. Library opening hours are 12–8 p.m. Monday and Tuesday and 10 a.m.–6 p.m. Wednesday through Saturday. For more information about the exhibition or the opening reception, please contact the Library at 626–307–1368 or visit www.montereypark.ca.gov/library.

Monterey Park Reminds Residents to Celebrate Safely This Fourth of July

Safe and Sane fireworks are permitted only on July 4 from 10 a.m. to 10 p.m.; illegal fireworks may result in fines up to $5,000

By Fire Department staff

As Independence Day approaches, the City of Monterey Park is reminding residents to celebrate responsibly and follow local fireworks regulations to help protect the community.

Only State Fire Marshal-approved "Safe and Sane" fireworks may be used within the City. Residents should look for the California State Fire Marshal seal before purchasing or using fireworks. Any fireworks that explode, fly into the air, move unpredictably, or lack the required seal are illegal.

- Safe and Sane fireworks may only be discharged on Saturday, July 4 between 10 a.m. and 10 p.m.
- Fireworks are prohibited in all City parks and may only be used under the supervision of a responsible adult.
- Possession of fireworks by anyone under the age of 18 is prohibited.
- The City maintains a zero-tolerance policy for illegal fireworks. Violations may result in citations and fines ranging from $2,000 to $5,000. Property owners may also be held responsible for illegal fireworks used or found on their property.

Residents are encouraged to purchase fireworks only from permitted fireworks stands and to follow basic safety practices, including keeping water nearby, lighting one firework at a time, and maintaining a safe distance from homes, vehicles, dry vegetation, and other combustible materials.

Community members are also asked to be considerate of neighbors, veterans, children, seniors and pets who may be impacted by fireworks activity.

To report illegal fireworks use or sales, contact the Monterey Park Police Department non-emergency line at 626–573–1311. In an emergency, call 911.

By following the law and making responsible choices, residents can help ensure a safe and enjoyable Fourth of July for everyone in Monterey Park. For more information, please contact the Fire Department administration at 626–307–1262.

Keeping Monterey Park Beautiful, Together

As summer activities increase, the City reminds residents that simple cleanup and safety practices help protect neighborhoods and shared spaces

By Code Compliance staff

When Summer Brings Us Outside

July brings more life into our neighborhoods. Families gather, meals move outdoors, celebrations continue into the evening, and residents spend more time enjoying patios, sidewalks, parks and shared spaces. These moments help make Monterey Park feel connected, but they also remind us that caring for a community often happens in the small details.

A secured trash bag, a cleared sidewalk, a clean gutter, or a grill that has been safely turned off and put away may seem like a small step. Together, these actions help protect the comfort, safety and appearance of the neighborhoods we all share.

What We Leave Behind Matters

After a gathering or celebration, small items can easily be missed. Food containers, plastic wrapping, decorations, safe and sane firework debris, or trash left near the curb may not seem significant at first. Once those items move into the street, gutter, or public right-of-way, they can create larger concerns.

Litter and debris can affect neighborhood appearance, attract pests, block drainage areas and create nuisance conditions for surrounding properties. What starts as a small cleanup issue can quickly become something the whole block feels. Taking a few extra minutes to clean up is one of the simplest ways we show respect for our neighbors and pride in our community.

From Streets to Storm Drains

Our streets and gutters connect to a larger storm drain system. When trash, food waste, liquids, or other materials are left near the curb or in the street, they can be carried into storm drains during water runoff. That means the impact may extend beyond one property or one neighborhood.

Keeping sidewalks, gutters, parkways and public areas clear helps protect the broader environment while also keeping Monterey Park cleaner and more welcoming.

Gathering Safely and Respectfully

Summer gatherings can also bring outdoor cooking, visitors, music, and more activity throughout our neighborhoods and shared spaces. Residents are encouraged to keep outdoor cooking equipment away from dry materials, avoid blocking walkways or common areas and secure trash so it does not spill or scatter.

Before calling it a night, take a quick look around. Are trash bags tied and placed where they belong? Are sidewalks, gutters and parkways clear? Did any food containers, decorations, or celebration debris get left behind? Has outdoor cooking equipment been safely turned off, cooled down and stored?

Community Care Through Code Compliance

Code Compliance is part of the City's ongoing effort to support a clean, safe and respectful community. Through education, communication, and shared responsibility, we can help residents, property owners and businesses understand how everyday actions contribute to the overall care of our neighborhoods.

This July, we encourage the community to enjoy the season while taking a few extra steps to protect the places we share. A clean street, a clear walkway, a secured trash bag and a thoughtful cleanup after a gathering all reflect the same message: caring for Monterey Park starts with each of us.

Small actions can make a lasting difference when we do them together. That is the heart of "Monterey Park, Together." For more information, or to report a concern, please contact the Code Compliance Division at 626–307–1415 or codecompliance@montereypark.ca.gov.

Clear Sightlines, Safer Streets: California's Daylighting Law

Drivers must avoid parking within 20 feet of crosswalks—even without red curbs—to reduce collisions and improve visibility

By Public Works staff

In effect since January 1, 2025, California's Daylighting Law (AB 413) enhances road safety by prohibiting vehicle parking, stopping or standing within 20 feet of the vehicle approach side of any crosswalk, whether marked or unmarked. This statewide measure is designed to improve visibility for drivers, cyclists and pedestrians, helping to reduce collisions and save lives.

What is Daylighting?

Daylighting refers to clearing obstructions near intersections and crosswalks to improve visibility for drivers, cyclists and pedestrians. Removing parked vehicles and other barriers near intersections provides a clearer line of sight, reducing collisions and improving overall safety.

Key Provisions of AB 413

- 20-foot no-parking zones: Vehicles are prohibited from parking, stopping or idling within 20 feet of the vehicle approach side of any crosswalk, whether marked or unmarked.
- No need for red curbs: Under AB 413, red curbs are not necessary for the parking prohibition to be enforceable. Drivers must comply with the 20-foot rule, even in the absence of signage or painted curbs.

Why It Matters

Daylighting is intended to reduce preventable traffic collisions and save lives:

- For drivers: Better sightlines allow for improved reactions to crossing pedestrians, cyclists and other vehicles.
- For pedestrians and cyclists: Enhanced visibility reduces risks, particularly in areas with high foot traffic.

Studies show that areas with daylighting policies experience fewer pedestrian and vehicle collisions, especially in urban settings.

Local Flexibility

While the law establishes a standard, it allows local governments to adapt enforcement and signage based on community needs. For example, certain exceptions may apply where the 20-foot rule isn't feasible due to existing infrastructure, such as a bus stop.

What Drivers Need to Know

- Always observe the 20-foot parking restriction, regardless of whether curbs are painted red or signage is visible.
- Enforcement will focus on vehicles stopping in or too near intersections or crosswalks in ways that could jeopardize pedestrian safety.
- Parking violations will be subject to fines or penalties, even if curb colors have not been updated.

Benefits to Communities

- Improved visibility: Increases sight lines for drivers and pedestrians crossing the street.
- Encouragement of walking and cycling: Enhanced safety makes streets more inviting for non-motorized transportation.
- Support for Vision Zero: AB 413 is a critical step in California's initiative to eliminate traffic-related deaths and severe injuries.

For more information, please contact the Public Works Department at 626–307–1320.

Before daylighting: cars cannot see pedestrians in the crosswalk due to parked cars blocking the sightlines. Image courtesy of SFMTA.

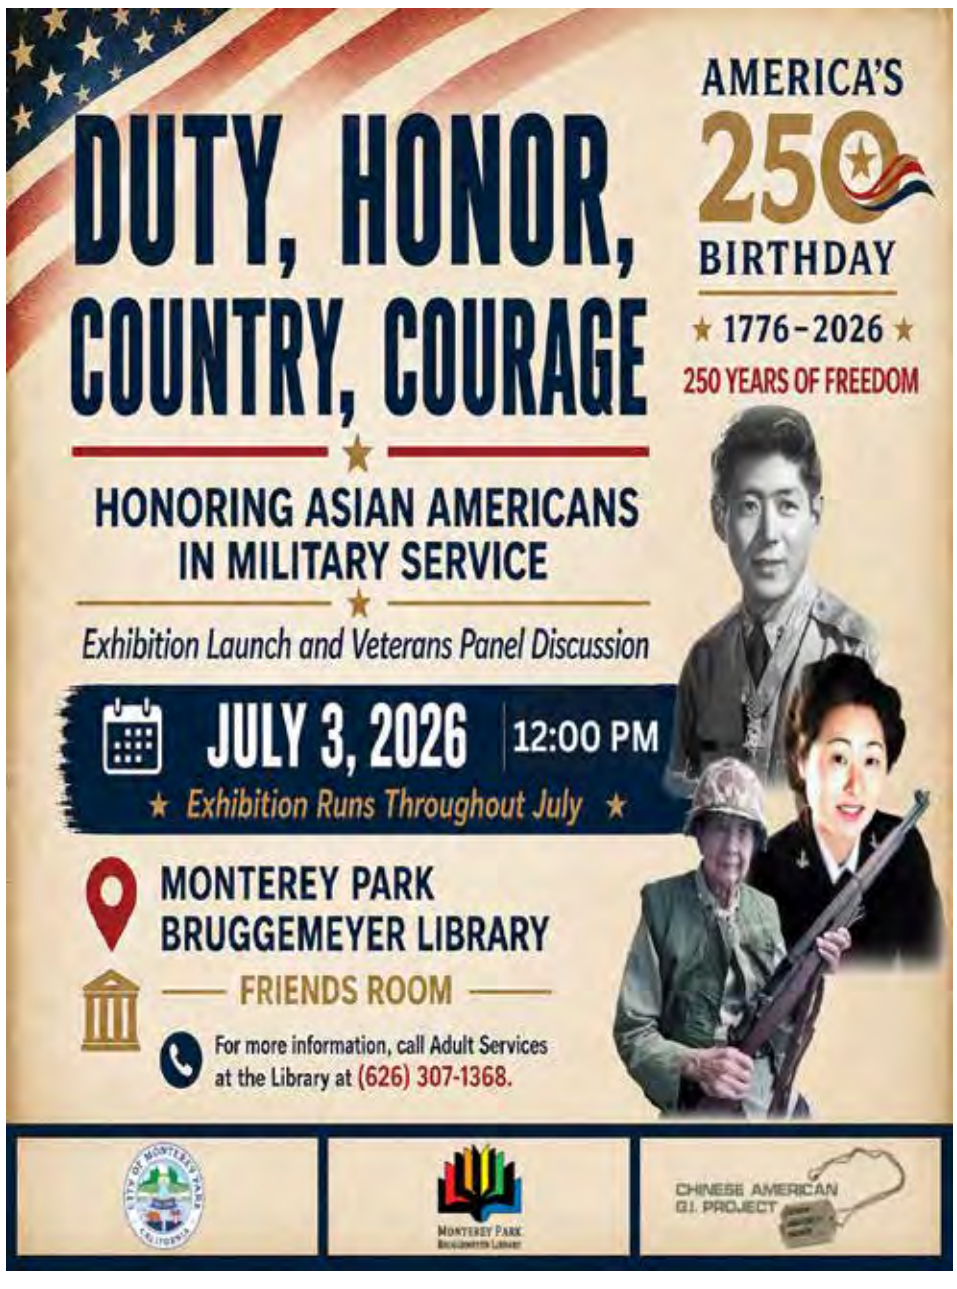

After daylighting: cars have a clear view to pedestrians before they step off the curb into the crosswalk. Image courtesy of SFMTA.

BUSINESS CONNECT

By Economic Development Division staff

And the Winners Are … ! Celebrating Our 2026 Community Choice Awards

A huge thank you to everyone who participated in this year's Love Monterey Park Community Choice Awards! Your passion for our local business community was on full display. The winners were revealed live at the Mayor's State of the City event on June 9, 2026. Whether you're looking for the perfect cup of tea, a reliable service provider, or a local nonprofit making a difference, the community has spoken.

Please join us in congratulating our 2026 Community Choice Award Winners:

- Favorite Restaurant: Hong Kong Café
- Favorite Coffee Shop: Yihui Coffee
- Favorite Tea Shop: Hey Tea & The Tea (A tie!)
- Favorite Retailer: Costco
- Favorite Service Provider: Math Clinic
- Favorite Nonprofit Organization: Garfield Health Center.

We want to extend our deepest gratitude to every resident and visitor who took the time to nominate and vote for their favorites this year. You didn't just cast a ballot—you showed our local business owners and organizations how much they mean to Monterey Park.

Please make sure to add these award-winning spots to your weekly routine. Drop in, try a new drink, book a service, or stop by to say congratulations and see for yourself exactly why they were chosen as Monterey Park's favorites!

Digital Marketing for Women-Owned Businesses

A free digital marketing webinar series for women-owned businesses offer several sessions covering social media, email marketing, networking, bloggin, holiday strategies, and content planning. The program emphasizes accessible accommodations and aims to enhance online and offline branding skills.
For more information or to register, please visit http://bit.ly/3Qivjt3.

Register to Show Interest in Being a Supplier for the LA28 Games

LA28 is the organizing committee responsible for planning and delivering the 2028 Olympic and Paralympic Games in Los Angeles. The LA28 organization is leveraging the unique opportunity of the Games as a catalyst for progress, creating opportunities for local businesses to take part in the economic upside of the games with small business procurement opportunities across logistics, hospitality, tourism, transportation, and events.

If you are a supplier interested in working with LA28, you can register using the link below. If there is an opportunity related to your submission, LA28 will contact your organization for further information.
To register, please visit www.la28.supplierone.co.

Free Southern California Edison (SCE) Assistance for Businesses

Southern California Edison (SCE) offers no-cost services to help businesses reduce operating and become more competitive. SCE's onomic Development Consultants provide one-on-one support, including assistance with tax incentives, site selection, permitting and regulatory coordination, workforce training, access to capital, utility cost analysis, and energy-saving programs. Businesses considering expansion, lease decisions, or operational improvements can also use SCE tools such as its GIS Power Site Search Tool and Economic Impact Analysis support.
For more information, businesses may contact SCE's Economic Development Team at economicdevelopment@sce.com or visit SCE's website at https://www.sc.com/business/save-costs-energy/economic-development-assistance.

EmpowHER Business Grants for Female Entrepreneurs

Boundless Futures Foundation empowers, embraces, and elevates female entrepreneurs through grants supporting early-stage businesses and likeminded nonprofits. Female small-business owners who are at least 22 years old may be eligible for an EmpowerHER grant. Your business must have been established within the last three years to be eligible. Grant funding is awarded as reimbursement of up to $25,000 for business-related expenses. Applications are accepted quarterly.

BOUNDLESS FUTURES FOUNDATION

For more information, please visit www.boundlessfutures.org/our-impact/.

Late Night Eats

Arriving late in Monterey Park doesn't mean your dining options are limited. Our Late Night Eats list was created to help hotel guests, residents, and visitors easily find restaurants that remain open beyond traditional dining hours.

Whether you're looking for a full meal, a quick bite, or dessert, the list highlights a variety of late-night options throughout the City. An interactive GIS map makes it simple to see which locations are open and where they're located. View the list of participating late-night restaurants and plan your meal with ease.

For more information, please visit https://bit.ly/43Grp02.

Available Commercial Properties

In partnership with local brokers, the City of Monterey Park Economic Development Team assists businesses seeking commercial, industrial, office, or vacant properties in Monterey Park. Whether you're planning to relocate or expand, our team is ready to support you every step of the way—contact us today, and let's make your vision a reality! City of Monterey Park Economic Development Division, 626–307–1385 or econdev@montereypark.ca.gov.

New Business Opening? Put the Spotlight on Your Business!

The Monterey Park Business Alliance (MPBA) is here to support your new business opening! We can assist with grand openings and ribbon-cutting ceremonies and help promote your business to the community.

Be featured in an upcoming Business Connect e-newsletter to share your business story and offerings. Contact the Economic Development team at 626–307–1385 or econdev@montereypark.ca.gov.

Evaluations: Jun 11 **League Play: Jun 18-Aug 9 (Thu – Practice, Sun – Games)**

Aquatics Classes

Four classes are offered per week. Each 50 min session is considered one class. One class per week allows a student to participate in any single session offered in a given week. Two classes per week allows a student to participate in any combination of two sessions offered in a given week. Unlimited classes allows a student to participate in any/all classes offered in a given week.

Pricing: One class per week: $85, Two classes per week: $125, Unlimited classes (up to 4) per week: $145.

Shallow Water Aerobics

Shallow Water Aerobics is an effective low impact class that provides cardiovascular benefits as well as flexibility and muscular toning. Students are required to provide their own water noodle. Margaret Nalbandian, George Elder Park Pool.

Jun 30-Sep 3 **Tue & Thu, 4:15-5:05 p.m.**

Deep Water Aerobics

Deep Water Aerobics is a great way to strengthen and tone muscles while building cardiovascular fitness. Students wear a buoyancy belt during class to provide flotation, alignment, and freedom of movement. Students should feel comfortable in deep water. Margaret Nalbandian, George Elder Park Pool.

Jun 30-Sep 3 **Tue & Thu, 5:15-6:05 p.m.**

Competitive Swim & Water Polo for High School Students – Coming Summer 2026!

A comprehensive summer program seeking to challenge and prepare individuals for competitive swimming and water polo. It is also a maintenance program for current high school athletes. It is an opportunity for future swimming and water polo participants to develop and learn new skills. The program will focus on swimming/water polo technique refinement (skill you know), skill introduction (new skills), and conditioning (speed, strength, and stamina). You must pass a skill test. Ismael Perez, George Elder Park Pool. For more information, please visit www.montereypark.ca.gov/aquatics.

What's in the Sky for July

By David Nakamoto, Los Angeles Astronomical Society

The **Southern Delta Aquariid** meteor shower occurs from July 3 to August 15. The meteors will peak from the night of the 30th through to the morning of the 31st. The nearly full moon will interfere with observations. The shower is best seen from the southern hemisphere. From northern latitudes the radiant is located lower in the southern sky, and therefore rates are lower. These meteors produce good rates for a week centered on the night of maximum. These are usually faint meteors that lack both persistent trains and fireballs. The parent object might be the sun-grazing comet.

The **Alpha Capricornid meteor shower** occurs from July 7 to August 13 with a "plateau-like" maximum centered on the 31st. The peak will occur from the night of the 30th through to the morning of the 31st. Again, the full moon will interfere with observations. This shower is not very strong and rarely produces more than five shower members per hour. The shower is notable, however, for the number of bright fireballs produced during its activity period. This shower is seen equally well on either side of the equator. The parent object is the comet 169P/NEAT.

On July 1

The **Sun** rises at 5:45 a.m. and sets at 8:09 p.m. **Mercury** is at mag. +5.2 on the 15th. It is close to the Sun and is not safe to observe. On the 24th, Mercury rises in the east-northeast at 4:58 a.m., and the Sun rises at 5:59 a.m., one hour one minute later. The planet is 13-percent illuminated and 9.8 arcseconds wide. Do not observe any planet when it comes close to the Sun, for the danger to the eyes is great. Venus is at mag. -4.2 on the 15th. It sets in the west-northwest at 10:38 p.m. **Venus** is 69-percent illuminated and 16 arcseconds wide. **Mars** is at mag. +1.3 on the 15th. It is in Taurus the Bull. Mars rises in the east-northeast at 3:14 a.m. It is 94-percent illuminated and 4.5 arcseconds wide. A magnification of 200x or more is needed to see the planet's disk. **Jupiter** is at mag -1.8 on the 15th. It is in Cancer the Crab. Jupiter sets in the west-northwest at 9:25 p.m. On the 9th, the Sun sets at 8:07 p.m., PDT, and Jupiter sets at 9:00 p.m., PDT, 53 minutes later. After the 9th, Jupiter is close to the Sun and is not safe to observe for the rest of July. Do not observe any planet when it is close to the Sun, for the danger to the eyes is great. A telescope capable of magnification 50x will show the Red Spot, and the four bright Galilean moons can be seen moving back and forth, across and behind Jupiter. **Saturn** is at mag. +0.7 on the 15th. It is in Pisces the Fishes. Saturn rises in the east at 1:00 a.m. It is 18 arcseconds wide. The rings and Saturn's largest moon, Titan, can be seen with a telescope capable of magnification 50x. **Uranus** is at mag +5.8 on the 15th. It is in Taurus the Bull. It rises in the east-northeast at 3:20 a.m. On the 15th, Uranus is at Right Ascension 4h 9m 40s and declination of +20° 51' 40". A magnification of 200x or more is needed to see the planet's 3.5 arcsecond disk. **Neptune** is at mag. +7.9 on the 15th. It is in Pisces the Fishes. It rises in the east at 12:30 a.m. On the 15th, Neptune is at Right Ascension 0h 18m 21s and declination of +0° 29' 3". A magnification of 200x or more is needed to see the planet's 2.3 arcsecond disk.

On July 31

The Sun rises at 6:04 a.m., and sets at 7:55 p.m. **Mercury** rises in the east-northeast at 4:39 a.m. The planet is 31-percent illuminated and 8.1 arcseconds wide. **Venus** sets in the west at 10:02 p.m., with a disk that is 56-percent illuminated and 20 arcseconds wide. **Mars** rises at 2:34 a.m. The planet is 94-percent illuminated and 4.5 arcseconds wide. **Jupiter** is not observable after the 9th. **Saturn** rises at 11:00 p.m., with a disk 18 arcseconds wide. **Uranus** rises at 1:27 a.m. **Neptune** rises at 10:28 p.m. The **Moon** is at last quarter on the 7th, new on the 14th, at first quarter on the 21st, and full on the 29th.

Garvey Ranch Park Observatory is located on the east end of Garvey Ranch Park. Parking is available on the west side of South Orange Ave., south of Graves Ave. The observatory is open every Wednesday night from 7:30–10 p.m. and staffed by volunteers from the Los Angeles Astronomical Society. Admission and viewing through the telescope are free. For more info, please visit www.laas.org; www.facebook.com/losangelesastronomicalsociety; or call 213-673-7355. Garvey Ranch Park is located at 781 S. Orange Avenue, Monterey Park, CA 91755.

Ramona Students Showcase Learning Through Project-Based Learning

By Madeline Nguyen, AUSD Communications Intern

The Ramona Elementary Project-Based Learning (PBL) Showcase marked its third annual opportunity for students from transitional kindergarten through eighth grade to demonstrate knowledge and skills developed throughout the school year. Each grade level was tasked with answering a unique essential question. For example, eighth-grade students explored how math can be applied to create a community-centered business. They were challenged to develop a business plan that would both serve the community and generate profit. One group of eighth-grade students created a business that offers lessons in important life skills, such as cleaning, tax filing, and other practical tasks. Their goal was to improve the lives of community members while building a successful business. Students collaborated both inside and outside the classroom, finding creative ways to communicate and develop their ideas.

Ramona principal Dr. Debbie Kotani shared that students look forward to participating each year and take pride in creating a strong project alongside their peers. Other creative projects included investing in chip companies, selling slime to support ocean protection efforts, and proposing ice cream bars made with fresh ingredients. Students said they especially enjoyed the project because it gave them the freedom to develop their own ideas and solutions to the essential questions. While this was the third annual showcase, Ramona's PBL journey began eight years ago. Dr. Kotani explained that the process started with teacher training, during which staff learned from another PBL-focused school how to build a successful program. The implementation required extensive preparation, trial, and refinement, but the effort paid off.

Ramona's PBL Showcase is now a highly anticipated event that brings together students, families, and community members while highlighting how Ramona students apply and interpret their learning in meaningful and creative ways.

Ramona Elementary's Project-Based Learning Showcase transformed the school campus into a space for entrepreneurship, problem-solving, environmental advocacy, and innovation as students shared projects developed throughout the year. Through business plans, community service ideas, and creative product designs, students demonstrated how learning can be applied to real-world challenges while presenting their work to families, staff, and community members. Brightwood and Mark Keppel Students Support CHLA Through Peppy's Heart Walk

By Alhambra Unified School District

A longstanding tradition of service and generosity was on display this spring as students from Brightwood School and Mark Keppel High School helped support Children's Hospital Los Angeles (CHLA) during the 27th Annual Peppy's Heart Walk fundraiser.

Hosted by the Rotary Club of Alhambra and Monterey Park (AMP), the May event has raised more than $147,000 for CHLA over the past 27 years. The fundraiser is led by Joseph "Peppy" Sciarra, a 101-year-old World War II veteran whose dedication to the hospital began after CHLA helped save his young son's life decades ago.

While the annual event celebrates Peppy's remarkable commitment to helping others, the fundraiser has recently also highlighted the contributions of Alhambra Unified students. Representing Brightwood School, teacher Tina Young attended this year's Heart Walk to present CHLA with artwork created from hundreds of folded origami paper cranes made by students in her class. The project, inspired by the story of Sadako and the Thousand Paper Cranes, has become a meaningful tradition that connects students with the hospital's mission of bringing hope and healing to children and families.

Prior to the COVID-19 pandemic, Young and her students began creating and donating crane artwork featuring the CHLA butterfly logo for display throughout the hospital. After a pause during the pandemic, the tradition resumed and continues to provide colorful reminders of encouragement for patients, families, and staff.
A Mark Keppel High School student also played an important role in this year's fundraiser. Kaitlyn Hui, president of the school's Interact Club, presented a $650 donation raised by club members in support of CHLA. For Hui, supporting the hospital has become a personal passion. When she was a student at Brightwood, she raised nearly $2,000 for CHLA by creating and selling handmade crocheted flowers. Now a student at Mark Keppel, she continues to champion the cause through her leadership in Interact Club and commitment to community service.

Together, the contributions from Brightwood and Mark Keppel demonstrate how students can make a difference through creativity, compassion, and service.

Brightwood teacher Tina Young and Mark Keppel freshman Kaitlyn Hui present origami crane artwork and fundraiser profits to CHLA. Left to right: Rotary Club of AMP President Elsie Wong, Senior Associate Director at CHLA Connie Sanchez Farrow, Brightwood teacher Tina Young, Mark Keppel freshman & president of Interact Club Kaitlyn Hui, and Joe "Peppy" Sciarra. (Photo courtesy of Alhambra Chamber of Commerce)

Through artwork designed to inspire hope and crochet fundraising efforts that support lifesaving care, AUSD students continue to play an important role in carrying forward Peppy's legacy of giving.

As the fundraiser enters its 28th year next year, the partnership between local schools, Rotary, and Children's Hospital Los Angeles remains a powerful example of a community coming together to help children in need.

Meet the 2026-2027 Student Advisory Council

By Alhambra Unified School District

Alhambra Unified School District is pleased to introduce the students elected to serve on the 2026–2027 Student Advisory Council (SAC). Representing each grade level from Alhambra High School, Mark Keppel High School, and San Gabriel High School, these 12 student leaders will work closely with district administrators and the Board of Education to provide student perspectives on issues affecting schools and the broader AUSD community.

Returning SAC members for the 2026–2027 school year are Leslie Chu, Cesar Garcia, Flora Hinojosa, Emily Huang, Isabella Majeau, Kevin Tang, and Angelina Yip. Joining them as new SAC members this year are Nathaniel (Nathan) Cheung, Lillyana (Lilly) Ganir, Stephanie Moxo, Julie Ortiz, and Alexia Ruiz.

Throughout the year, SAC members will represent the voices of their peers, provide feedback on district initiatives, and collaborate on projects designed to enhance the student experience across AUSD. The council will also elect one of its members to serve as the district's Student Board Member, providing a direct student voice at Board of Education meetings and leading SAC's monthly meetings as its chairperson.

The Student Advisory Council met during the summer for two intense days of leadership training and teambuilding in preparation to represent their peers during the upcoming school year.

Three-Peat for AUSD: Named SGV's Best School District Again

By Alhambra Unified School District

For the third consecutive year, the Alhambra Unified School District (AUSD) has been voted the San Gabriel Valley's Best School District in the Southern California News Group's 2026 Readers Choice Awards. The district was also recognized as a Favorite Workplace, continuing an impressive streak of community support and recognition.

The annual Readers Choice Awards celebrate organizations, businesses, and institutions that have earned the trust and admiration of local residents through public voting. For AUSD, the latest honors reflect the district's continued commitment to providing high-quality educational opportunities while fostering a supportive environment for students, families, and employees.

Superintendent Dr. Denise R. Jaramillo stated the recognition is a reflection of the collective efforts of the entire AUSD community. "Being named the San Gabriel Valley's Best School District for a third consecutive year is an incredible honor," Dr. Jaramillo said. "These awards belong to our students, employees, families, and community partners who make Alhambra Unified such a special place. We are grateful for the trust our community continues to place in us, and we remain committed to providing exceptional opportunities for every student who walks through our doors."

This year's awards also highlighted excellence across the district. In addition to AUSD being named Best School District, Ynez School earned the title of Best Elementary School and was also recognized as a Favorite Middle School.

Several other AUSD campuses were recognized among the San Gabriel Valley's favorite schools. Alhambra High School, Mark Keppel High School, and San Gabriel High School were all named Favorite High Schools, while Granada School, Monterey Highlands School, and Ramona School were recognized as Favorite Elementary and Middle Schools.

At Ynez School, Principal Dr. Janice Phan shared that the campus community was proud to receive recognition as the region's top elementary school. "This honor reflects the dedication of our students, staff, and families, who work together every day to create a welcoming and engaging learning environment," said Dr. Phan. "We are proud of what makes Ynez special, from our strong academic programs to the sense of belonging our students experience on campus. Being recognized by the community in this way is both exciting and deeply appreciated."

The recognition extended beyond district campuses as well. The Alhambra Educational Foundation (AEF), AUSD's nonprofit partner organization, was named a Favorite Non-Profit Organization. Through enrichment opportunities and monetary support for district programs, AEF plays a vital role in enhancing educational experiences for AUSD students.

The awards also reinforce AUSD's reputation as an employer of choice. Continued recognition as a Favorite Workplace highlights the district's ongoing efforts to support employees through collaboration, professional growth opportunities, and a culture centered on student success.

The Readers Choice Awards are more than a celebration of accomplishments. They are also a reminder of the responsibility that comes with serving a community that places such high value on public education. "These recognitions inspire us to keep improving and innovating," Dr. Jaramillo added. "We are proud of how far we have come, but we are always focused on what comes next for our students and families."

With honors spanning the district, individual school sites, the workplace environment, and its non-profit partner, AUSD's strong showing in the 2026 Readers Choice Awards underscores a community-wide commitment to educational excellence and student success.

2026 marks five straight years AUSD has been recognized with Readers Choice Awards, including being voted as the San Gabriel Valley's Best School District for a third year in a row.

Granada STEM Event Brings Community Together Through Creativity and Innovation

By Nicole Del Villar, AUSD Communications Intern

Granada Elementary School's annual STEM Community Event returned in May, featuring a car showcase, a student talent show, and, most importantly, a recycled materials car contest. As part of the STEM (Science, Technology, Engineering, and Technology) event, students competed in a recycled materials car contest. Designs demonstrating the most creative use of recycled materials, ranging from water bottles to cardboard boxes, competed for top placements as determined by judges. Some entries included cardboard car frames, a Sprite bottle used as the base with straws and plastic bottle caps as decorations, soda cans used as tires, and a sturdy wooden car carrying small toy passengers. The event has evolved into more than just a STEM showcase.

Dr. Rosa Soria, Granada's principal, said it has also become an event where those who have, "a love for their vehicles can bring them and showcase them." She explained that last year, the event expanded from being solely a car showcase to also highlighting students' abilities through a talent show featuring singing, dancing, and more. Ultimately, she said, the event is a chance for the school to, "come together as a community to celebrate end-of-the-year achievements."

Many local organizations and businesses were also present to support the event. Raising Cane's and Chano's offered food for attendees to enjoy, while Granada's ASB sold refreshments. The Alhambra Civic Center Library, the Gabrielino San Gabriel Band of Mission Indians, and the Petersen Automotive Museum provided resources and information to families. The museum also brought several vehicles for display, including a popular black-and-white patterned car that students and parents could color using dry-erase markers. A student-led craft booth offered another hands-on activity, along with a blacktop area where students could drive remote-controlled cars with friends.

Later in the event, the talent show featured a wide variety of student performances across grade levels. Granada's Folklórico group opened the show, followed by a student dance routine to KATSEYE's "Gnarly," a vocal performance of Aurora's "Runaway," another dance performance to *NSYNC's "Bye Bye Bye," and solo dance performances to Laufey's "Lover Girl" and LE SSERAFIM's "Antifragile."

Once the talent show concluded, the winners of the recycled materials car contest were announced, bringing the evening's festivities to a close. Reflecting on the event, Granada teacher Ms. Kristine Lu shared that one of the most valuable aspects was seeing, "parents start connecting with each other." She believes that "a school is only as strong as its community," and that building those connections

Students, families, and staff gathered for Granada Elementary School's annual STEM Community Event on May 15, enjoying hands-on activities, a recycled materials car contest, a student talent show, and a community car showcase. The event celebrated creativity, innovation, and the strong connections that help make Granada's school community thrive. (Photo Credit: Nicole Del Villar, AUSD Communications Intern)

is important because, "the students are the ones who will benefit from a stronger community."

Overall, staff, teachers, parents, and students enjoyed participating in and watching the event's many activities. The STEM Community Event not only highlighted the importance of recycling and reusing materials, but also demonstrated how repurposed items can be transformed into something creative, innovative, and even award-winning.

AUSD Students and Staff Come Together for "Seussical Jr."

By Nicole Del Villar, AUSD Communications Intern

This summer, students and staff from across Alhambra Unified School District are joining forces to bring the colorful world of Seussical Jr. to the stage. Featuring performers in grades four through eight, the production highlights the creativity, dedication, and teamwork that make Alhambra Educational Foundation's (AEF) summer theater program so special.

Behind the scenes, high school students and alumni are lending their talents to the production. Alhambra High School's Kisa Lai is leading scenic design and paint treatment, while Aidan Angel Arroyo, also from AHS, serves as lead carpenter, helping transform the stage into the vibrant world of Dr. Seuss.

San Gabriel High School theater students are also spending part of their summer mentoring younger performers. Bryant Kwan, Maria Vargas Lopez, Denae Diaz, Luiz Felix, Hailey Chau, and other SG Theatre students are serving as counselors and instructors, sharing their skills in acting, singing, dancing, and technical theater.

The production is made possible through a partnership between AEF and the Mark Keppel High School Theatre Company, which is providing the stage and facilities for the performances.

This intensive summer musical theater "camp" is a celebration of mentorship, creativity, and collaboration, bringing together students from elementary and high school campuses throughout the district.

Filled with beloved characters and memorable songs, Seussical Jr. is a reminder that great things happen when a community comes together to support and inspire its students. Performances will be held at Mark Keppel High School (located at 501 East Hellman Avenue in Alhambra) on Monday, July 14th at 2:00 pm and Wednesday, July 16th at 5:00 pm. Admission is free, but community members are encouraged to reserve tickets in advance at sghsdrama.ludus.com.

The community is invited to enjoy a free performance of Seussical Jr. on July 14th or 16th. Scan the QR code in the accompanying graphic for more information and/or to reserve your tickets.

AUSD Celebrates the Graduates of 2026

By Alhambra Unified School District

The Class of 2026 has officially crossed the stage, marking the culmination of years of hard work, perseverance, and growth. Graduates from Alhambra High School, Mark Keppel High School, and San Gabriel High School celebrated this milestone at Weingart Stadium at East Los Angeles College, surrounded by family, friends, teachers, and other staff members who supported them throughout their educational journeys. Congratulations to the Alhambra Unified School District High School Class of 2026. We are proud of all you have accomplished and look forward to seeing the many ways you will continue to make a difference in the years ahead. (Photo Credit: Amy Alonso, Reyna Guan, and Kellyn Chea, AUSD Communications Interns and Grant Sapcharoenlert, AUSD Media Assistant)

AUSD Celebrates Student Achievement in Winter and Spring Activities

By Natalie Qi, AUSD Communications Intern

Students, parents, teachers, coaches, advisors, and administrators gathered in the Alhambra Unified School District Board Room on May 18, 2026, to recognize students for their outstanding accomplishments in extracurricular activities during the winter and spring seasons. Students from across the district and multiple grade levels were honored for their hard work, dedication, and accomplishments.

Among those recognized during the ceremony was Brightwood School eighth grader Cadence Tanaka, a member of the school's Science Olympiad team. Reflecting on the honor, Tanaka shared, "It's an honor to be recognized by the district, and it shows that all the work we've put in is seen and valued."

Like Tanaka, many of the students honored are passionate about the clubs, teams, and activities they participate in and look forward to continuing their involvement in the years ahead. As the recognition event came to a close, students and their families left with a sense of pride, knowing that their hard work and accomplishments had been celebrated and appreciated.

AUSD recognized students from across the district during its Winter and Spring Student Recognition Ceremony, celebrating a variety of outstanding achievements. Students were joined by family members, teachers, coaches, and staff as they were honored for their hard work and achievement throughout the latter part of the school year. A complete list of student honorees is available at https://tinyurl.com/StudentRecognition2526. (Photo Credit: Amy Alonso and Meghan Teo, AUSD Communications Interns)

Why Work With Me?

I'm Also A Monterey Park Resident!

Client Testimonial:

Recently sold a home with May and my family and I cannot be happier! May, brings to the table a wealth of knowledge, detailed insight, excellent communication, and a personal commitment to the success of a sale that has been very evident throughout the entire process. What stands out to us was May's unique ability to navigate the nuances of the buying/selling process in a way that is both natural and professional. Thanks to May we attained a sales price that was more than we initially had anticipated. We also attained a true partnership, and ultimately a friendship that we never had expected. We will be using her for our other properties, and have already recommended her to friends and family! 100/10 recommend May for your next house!

-RR

蒙特利公園市提醒居民注意安全慶祝美國獨立紀念日

「安全與合格煙花爆竹（Safe and Sane Fireworks）」僅限於7月4日上午10點至晚上10點期間內燃放；燃放非法烟花爆竹可能導致最高5,000美元罰款

由消防局工作人員提供

隨著美國獨立紀念日（7月4日）即將到來，蒙特利公園市提醒居民在慶祝佳節的同時，務必遵守當地煙火管理規定，共同維護社區安全。

在市內只允許使用經加州消防局（California State Fire Marshal）核准的「安全與合格煙花爆竹（Safe and Sane Fireworks）」。民眾在購買或燃放烟花爆竹前，請確認產品包裝上註明印有加州消防局認證標章。任何會爆炸、無控制的飛入空中、移動方向不可預測，或未貼有認證標章的煙花爆竹，均屬非法煙花爆竹。

- 「安全與合格煙花爆竹」僅可於 7月4日（星期六）上午10點至晚間10點 期間燃放。
- 本市所有公園皆全面禁止燃放煙花爆竹，且燃放煙花爆竹時，必須有成年人在場全程監督。
- 未滿18歲者不得持有任何煙花爆竹。
- 本市對非法燃放煙花爆竹採取零容忍政策。違規者可能被開罰單，並處以 2,000美元至5,000美元 不等罰款。物業業主也可能因為其物業內使用或者發現非法煙花爆竹而被追究責任。

市府鼓勵居民僅向合法設立的販售煙花攤位購買煙花爆竹，並遵守基本安全守則，包括：準備備用水源、一次只點燃一個煙花爆竹，以及與住宅、車輛、乾燥植被及其他易燃物確保持安全距離。

同時，也請民眾體諒鄰居、退伍軍人、兒童、長者及寵物，因煙花爆竹聲響可能對他們造成影響與不適。
如需檢舉非法煙花爆竹燃放或販售行為，請撥打蒙特利公園市警察局非緊急專線 626-573-1311；如遇緊急狀況，請立即撥打 911。

透過遵守法規並採取負責任的行動，居民可共同營造一個安全、愉快的國慶假期，讓所有蒙特利公園市民都能安心歡度獨立紀念日。

如需更多資訊，請聯絡消防局行政辦公室：626-307-1262。

共同維護蒙特利公園市的美好環境

隨著夏季活動增加，市府提醒居民透過簡單的清潔與安全措施，共同守護社區環境與公共空間

由法規執行部門工作人員（Code Compliance Division）提供

當夏日來臨，正是享受戶外時光的季節

每年七月，社區裡總是充滿更多活力。家人朋友相聚、戶外用餐、慶祝活動延續至夜晚，居民也更常使用庭院、人行道、公園及各類的公共空間。這些美好的時刻讓蒙特利公園市成為一個更緊密連結的社區，也提醒我們，維護社區環境往往是從小細節做起的。'

一個綁緊好的垃圾袋、一條保持暢通的人行道、一條乾淨的排水溝，或是一台使用後已安全關閉並放置好的烤爐，看似微不足道的小事，但這些小小的行動累積起來，卻能共同維護我們社區的舒適、安全與整潔的環境。

活動結束後，我們的行動至關重要

聚會或慶祝活動結束後，總有一些小物品容易被忽略。餐盒、塑膠包裝、裝飾用品、安全與合格煙花爆竹（Safe and Sane Fireworks）的殘留物，或是放置在路邊的垃圾，起初可能看起來並不起眼。然而，一旦這些物品散落到街道、排水溝或公共通行區域，便可能變成更大的隱患問題。

垃圾與雜物不僅影響社區景觀，也可能吸引病蟲、阻塞排水系統，並對周邊住戶造成困擾。原本只是小範圍的清潔問題，很快就可能影響整個街道。只須多花幾分鐘進行整理與清潔，是展現對鄰里尊重及社區認同最簡單的方法之一。

從街道到雨水排水系統

社區道路與排水溝都連接到大型雨水排水系統。當垃圾、食物殘渣、液體或其他廢棄物被留置於路邊或街道上時，可能隨著下雨季節時被冲進排水系統，造成更廣泛的環境影響。
保持人行道、排水溝、路旁綠帶及公共區域整潔，不僅有助於保護環境，也能讓蒙特利公園市保持乾淨、舒適且宜人的生活品質。

希望大家能夠安全且互相尊重地進行聚會

夏季聚會經常伴隨戶外烹飪、訪客來往、音樂播放以及讓我們的社區和共享空間更熱鬧的活動。市府鼓勵居民將烹飪設備遠離乾燥易燃物品，避免阻礙人行通道及公共空間，並妥善綁好垃圾袋，防止垃圾散落或被風吹走。

在結束一天活動之前，不妨花幾分鐘檢查周圍環境：
- 垃圾袋是否已綁緊並放置在適當的地方？
- 人行道、排水溝及路旁綠帶是否保持暢通？
- 是否有餐盒、裝飾品或慶祝活動留下的垃圾尚未清理？
- 戶外烹飪設備是否已完全關閉、冷卻後並妥善放好？

透過遵守法規來關懷社區

法規執行部門是市府持續推動社區整潔、安全與友善環境的重要一環。透過教育宣導、溝通合作及共同承擔責任，我們協助居民、房地產業主及商家了解日常生活中的每一個行動環節，都會影響社區整體環境的品質。

今年七月，市府鼓勵大家盡情享受夏季時光，同時多做幾個額外的步驟，共同守護我們共享的生活空間。一條乾淨的街道、一條暢通的人行道、一個妥善固定的垃圾袋，以及聚會後細心完成的清理工作，都表達著同樣的訊息：關愛蒙特利公園市，從你我做起。

當大家攜手付出時，再小的行動也能帶來長遠的改變。這正是「Monterey Park, Together」攜手共創蒙特利公園市的精神。

如需更多資訊或通報相關問題，請聯絡法規執行部門
（Code Compliance Division）：
電話：626-307-1415　電子郵件：codecompliance@montereypark.ca.gov

保持清晰視線，打造更安全的街道：加州「日光停車法規」（Daylighting Law）

駕駛人即使在沒有紅色路緣標示的情況下，也不得在人行路口橫道前20英尺內一律禁止停車，以降低交通事故並提升視線能見度

由公共工程部門員工提供

自 2025年1月1日 起正式生效的加州「日光停車法規」（Daylighting Law，AB 413法案），旨在提升道路安全，當車輛接近人行路口橫道時, 規定任何車輛不得在20英尺範圍內一律禁止停車、臨時停車或停留，不論該穿越道是否有標誌。這項全加州的法規可以改善駕駛人、自行車騎士及行人的視線範圍，消除視線死角，降低交通事故發生，進一步保障路人的安全並挽救生命。

什麼是「日光停車法規」（Daylighting）？

「日光停車法規」是指清除十字路口及人行路口橫道附近可能阻礙死角視線的障礙物，以提升駕駛人、自行車騎士及行人的能見度。當停的車輛或其他遮蔽物被移除後，路人能擁有清晰無死角的視線，而降低碰撞事故發生機率，提升整體交通安全。

AB 413加州車輛法案重點規定

- 人行路口橫道前20英尺一律禁止停車
  無論人行橫道是否設有標線，當車輛接近人行路口橫道時, 規定任何車輛不得在20英尺範圍內停車、臨時停車或停留。
- 無須以紅色路緣標示,該法規仍然有效
  依據AB 413法案規定，即使路緣未塗設紅色標線，也不影響法規執行效力。駕駛人仍須遵守20英尺禁止停車規定，即使現場沒有標誌或紅色路緣標示亦然須要遵守法規。

為何這項法規值得關注？

推動「日光停車法規」的目的在於減少可預防的交通事故，並保護更多生命安全。
對駕駛人而言：
- 更佳的視線範圍有助於可提早發現正在穿越道路的行人、自行車騎士及其他車輛。
- 提升反應時間與駕駛安全。

對行人與自行車騎士而言：

- 提高彼此更佳的視線，降低事故風險。
- 尤其在人流量較高的地區效果更為明顯。

研究顯示，實施日光停車法規的地區，行人及車輛碰撞事故明顯減少，特別是在都市環境中更有效率。

實施日光停車法規之前：滯停的車輛遮擋視線，導致駕駛人無法能看見正在穿越人行道附近的人。（圖片來源：SFMTA）

實施日光停車法規之後：駕駛人即可看見路邊等待過馬路的人。圖片來源：SFMTA）

地方政府可依需求調整執行方式

雖然AB 413法案:建立了全加州統一標準，但仍允許地方政府依據社區需求調整執行法規及標示方式。例如，若受現有基礎設施限制（如公車站設置位置等），導致20英尺規定難以完全適用時，地方政府可依實際情況採取適當例外措施。

駕駛人應注意事項

- 無論是否設有紅色路緣或交通標誌，皆應遵守人行橫道前20英尺一律禁止停車法規。
- 執法人員將重點放在停在路口或人行路口橫道或交叉口附近違規停車的車輛，並可能危及行人安全。
- 即使路緣尚未重新塗設紅色標線，違規停車仍可能面臨罰款或其他處分。

為社區帶來的效益

- 提升視線： 改善駕駛人及正在過街行人的視線範圍。
- 鼓勵居民步行與騎乘自行車： 更安全的道路環境有助於推動非機動交通方式。
- 支持「零死亡事故願景」（Vision Zero）： AB 413法案是加州推動減少交通死亡及重傷事故的重要措施之一。

如需更多資訊，請查詢公共工程部門：626-307-1320

Monterey Park Recuerda a los Residentes Celebrar de Manera Segura este 4 de Julio

Los fuegos artificiales “Safe and Sane” solo están permitidos el 4 de julio de 10 a.m. a 10 p.m.; los fuegos artificiales ilegales pueden resultar en multas de hasta $5,000

Presentado por el personal del Departamento de Bomberos

Con la proximidad del Día de la Independencia, la Ciudad de Monterey Park recuerda a los residentes que celebren de manera responsable y sigan las regulaciones locales sobre fuegos artificiales para ayudar a proteger a la comunidad.

Dentro de la ciudad, solo se permite el uso de fuegos artificiales “Safe and Sane” aprobados por el Jefe de Bomberos del Estado de California (State Fire Marshal). Antes de comprar o utilizar fuegos artificiales, los residentes deben verificar que cuenten con el sello oficial del State Fire Marshal de California. Cualquier fuego artificial que explote, se eleve por el aire, se desplace de manera impredecible o no tenga el sello requerido se considera ilegal.

- Los fuegos artificiales “Safe and Sane” solo podrán encenderse el sábado 4 de julio, entre las 10 a.m. y las 10 p.m.
- Los fuegos artificiales están prohibidos en todos los parques de la ciudad y solo pueden utilizarse bajo la supervisión de un adulto responsable.
- Está prohibida la posesión de fuegos artificiales por personas menores de 18 años.
- La ciudad mantiene una política de cero tolerancia hacia los fuegos artificiales ilegales. Las infracciones pueden resultar en citaciones y multas de entre $2,000 a $5,000. Los propietarios también pueden ser considerados responsables por fuegos artificiales ilegales utilizados o encontrados en su propiedad.

Se recomienda a los residentes comprar fuegos artificiales únicamente en puestos autorizados y seguir las normas básicas de seguridad, como mantener agua cerca, encender un solo fuego artificial a la vez y conservar una distancia segura de viviendas, vehículos, vegetación seca y otros materiales combustibles.

También se pide a los miembros de la comunidad que sean considerados con sus vecinos, veteranos, niños, adultos mayores y mascotas, quienes podrían verse afectados por la actividad relacionada con los fuegos artificiales.

Para reportar el uso o la venta de fuegos artificiales ilegales, comuníquese con la línea no urgente del Departamento de Policía de Monterey Park al 626-573-1311. En caso de emergencia, llame al 911.

Al cumplir con la ley y tomar decisiones responsables, los residentes pueden ayudar a garantizar una celebración segura y agradable del 4 de Julio para todos en Monterey Park.

Para obtener más información, comuníquese con la administración del Departamento de Bomberos al 626-307-1262.

Juntos, Mantengamos Hermoso a Monterey Park

A medida que aumentan las actividades de verano, la Ciudad recuerda a los residentes que las prácticas sencillas de limpieza y seguridad ayudan a proteger los vecindarios y los espacios compartidos

Presentado por el personal de Cumplimiento de Códigos (Code Compliance)

Cuando el Verano Nos Lleva al Aire Libre
Julio trae más vida a nuestros vecindarios. Las familias se reúnen, las comidas se disfrutan al aire libre, las celebraciones continúan hasta la noche y los residentes pasan más tiempo disfrutando de patios, aceras, parques y espacios compartidos. Estos momentos ayudan a fortalecer el sentido de comunidad en Monterey Park, pero también nos recuerdan que el cuidado de una comunidad suele reflejarse en los pequeños detalles.

Una bolsa de basura bien asegurada, una acera despejada, una cuneta limpia o una parrilla que ha sido apagada y guardada de forma segura pueden parecer acciones pequeñas. Sin embargo, juntas ayudan a proteger la comodidad, la seguridad y la apariencia de los vecindarios que todos compartimos.

Lo Que Dejamos Atrás Importa
Después de una reunión o celebración, es fácil pasar por alto algunos objetos pequeños. Envases de comida, envolturas de plástico, decoraciones, residuos de fuegos artificiales “Safe and Sane” o basura dejada cerca de la acera pueden parecer insignificantes al principio. Sin embargo, cuando estos materiales terminan en la calle, las cunetas o las áreas públicas de paso, pueden generar problemas mayores.

La basura y los desechos afectan la apariencia del vecindario, atraen plagas, obstruyen las áreas de drenaje y pueden convertirse en una molestia para las propiedades cercanas. Lo que comienza como un pequeño problema de limpieza puede convertirse rápidamente en una situación que afecta a toda la cuadra. Dedicar unos minutos adicionales a limpiar es una de las maneras más sencillas de demostrar respeto por nuestros vecinos y orgullo por nuestra comunidad.

De las Calles a los Drenajes Pluviales
Nuestras calles y cunetas están conectadas a un sistema más amplio de drenaje pluvial. Cuando la basura, los desperdicios de comida, los líquidos u otros materiales se dejan cerca de la acera o en la calle, pueden ser arrastrados hacia los drenajes durante el escurrimiento del agua. Esto significa que el impacto puede extenderse más allá de una sola propiedad o vecindario.

Mantener despejadas las aceras, cunetas, franjas ajardinadas y áreas públicas ayuda a proteger el medio ambiente y, al mismo tiempo, mantiene a Monterey Park más limpio y acogedor.

Reunirse de Forma Segura y Respetuosa
Las reuniones de verano suelen incluir cocina al aire libre, visitantes, música y una mayor actividad en nuestros vecindarios y espacios compartidos. Se recomienda a los residentes mantener los equipos de cocina al aire libre alejados de materiales secos, evitar bloquear los pasillos o áreas comunes y asegurar la basura para evitar que se derrame o se disperse.

Antes de terminar la noche, tómese un momento para revisar el área: ¿Están bien cerradas las bolsas de basura y colocadas donde corresponden? ¿Están despejadas las aceras, cunetas y franjas ajardinadas? ¿Quedaron envases de comida, decoraciones o residuos de la celebración? ¿Han sido apagados, enfriados y guardados de manera segura los equipos de cocina al aire libre?

Cuidando la Comunidad a Través del Cumplimiento de Códigos
La División de Cumplimiento de Códigos forma parte de los esfuerzos continuos de la Ciudad para mantener una comunidad limpia, segura y respetuosa. A través de la educación, la comunicación y la responsabilidad compartida, podemos ayudar a residentes, propietarios y negocios a comprender cómo las acciones cotidianas contribuyen al bienestar general de nuestros vecindarios.

Este mes de julio, invitamos a la comunidad a disfrutar de la temporada mientras toma algunas medidas adicionales para proteger los lugares que compartimos. Una calle limpia, una acera despejada, una bolsa de basura bien asegurada y una limpieza responsable después de una reunión transmiten el mismo mensaje: el cuidado de Monterey Park comienza con cada uno de nosotros.

Las pequeñas acciones pueden generar grandes cambios cuando las realizamos juntos. Ese es el verdadero espíritu de “Monterey Park, Juntos”.

Para obtener más información o reportar alguna inquietud, comuníquese con la División de Cumplimiento de Códigos al 626-307-1415 o por correo electrónico a codecompliance@montereypark.ca.gov.

Líneas de Visión Despejadas, Calles Más Seguras: La Ley de Daylighting de California

Los conductores deben evitar estacionarse a menos de 20 pies de los cruces peatonales, incluso cuando no haya bordillos pintados de rojo, para reducir colisiones y mejorar la visibilidad

Presentado por el personal del Departamento de Obras Públicas

Desde el 1 de enero de 2025, la Ley de Daylighting de California (AB 413) está en vigor para mejorar la seguridad vial al prohibir que los vehículos se estacionen, se detengan o permanezcan dentro de los 20 pies previos al lado de aproximación vehicular de cualquier cruce peatonal, ya sea marcado o no marcado. Esta medida estatal tiene como objetivo mejorar la visibilidad de conductores, ciclistas y peatones, ayudando a reducir colisiones y salvar vidas.

¿Qué es el Daylighting?
El término daylighting se refiere a la eliminación de obstáculos cerca de intersecciones y cruces peatonales para mejorar la visibilidad de conductores, ciclistas y peatones. Al retirar vehículos estacionados y otras barreras cerca de las intersecciones, se obtiene una línea de visión más clara, lo que reduce las colisiones y mejora la seguridad general.

Disposiciones Clave de la AB 413
- Zonas de no estacionamiento de 20 pies
  Se prohíbe a los vehículos estacionarse, detenerse o mantener el motor en marcha a menos de 20 pies del lado de aproximación de cualquier paso de peatones, ya sea que esté señalizado o no.
- No se requieren bordillos rojos
  Bajo la AB 413, no es necesario que los bordillos estén pintados de rojo para que la prohibición de estacionamiento sea aplicable. Los conductores deben cumplir con la regla de los 20 pies incluso cuando no existan señales o bordillos pintados.

¿Por Qué es Importante?
El propósito del daylighting es reducir las colisiones de tránsito prevenibles y salvar vidas.
- Para los conductores: Una mejor visibilidad permite reaccionar con mayor rapidez ante peatones, ciclistas y otros vehículos que cruzan la vía.
- Para peatones y ciclistas: Una mayor visibilidad reduce los riesgos, especialmente en áreas con alto flujo peatonal.
  Los estudios demuestran que las áreas donde se implementan políticas de daylighting registran menos colisiones entre peatones y vehículos, particularmente en entornos urbanos.

Flexibilidad Local
Aunque la ley establece un estándar estatal, permite que los gobiernos locales adapten la aplicación y señalización según las necesidades de la comunidad. Por ejemplo, pueden existir ciertas excepciones cuando la regla de los 20 pies no sea viable debido a infraestructura existente, como una parada de autobús.

Lo Que Deben Saber los Conductores
- Respete siempre la restricción de no estacionarse dentro de los 20 pies de un cruce peatonal, independientemente de si los bordillos están pintados de rojo o si existe señalización visible.
- La aplicación de la ley se enfocará en vehículos estacionados o detenidos dentro o demasiado cerca de intersecciones y cruces peatonales de manera que puedan poner en riesgo la seguridad de los peatones.
- Las infracciones de estacionamiento estarán sujetas a multas o sanciones, incluso si los colores de los bordillos aún no han sido actualizados.

Beneficios para la Comunidad
- Mayor visibilidad: Mejora las líneas de visión para conductores y peatones al cruzar la calle.
- Fomento de caminar y andar en bicicleta: Una mayor seguridad hace que las calles sean más atractivas para los medios de transporte no motorizados.
- Apoyo a la iniciativa Vision Zero: La AB 413 representa un paso importante en el esfuerzo de California por eliminar las muertes y lesiones graves relacionadas con accidentes de tránsito.

Client Testimonial

"From the very beginning, Wendy was attentive and genuinely interested in understanding our needs. She took the time to learn about our non-negotiables, preferences, and long-term goals. She made such a positive first impression that later that same evening, we decided we wanted her to represent us as our agent. Throughout our home-buying journey, Wendy was consistently supportive, transparent about pricing and timelines, and incredibly flexible as our wants and priorities evolved. She was always available to answer questions, provide guidance, and help us navigate each step of the process with confidence…we truly could not have asked for a better agent. Her expertise, dedication, and genuine care made all the difference. We are so grateful for her guidance and support and would recommend her in a heartbeat to anyone looking for an exceptional real estate agent."
