## **COVID-19 Update: LA County to Allow Limited On-Campus Operations for Schools and Limited Indoor Operations of Salons and Barbershops**

Monterey Park, Calif. - September 2, 2020 - The [Los Angeles County Department of Public Health](#), in consultation with the Board of Supervisors, has revised the [Health Officer Order](#) to allow for limited, on-campus operation for schools in L.A. County, as well as limited indoor operations of Hair Salons and Barbershops.

Beginning Monday, September 14, 2020 schools K-12 may offer in-school services for small cohorts of students with Individualized Education Plans (IEP), students requiring instruction for English as a Second Language (ESL) or students needing assessments or specialized in-school services, as long as the school is able to fully implement the Health Officer's re-opening protocols.

Public Health will not be opening the waiver program for instruction of students in grades TK-6 as the department monitors the implementation of this effort to safely get students needing specialized in-school services back to school.

Hair salons and barbershops can re-open for indoor services at 25% occupancy provided they are in full compliance with the Health Officer's protocols. The Order encourages these businesses to continue outdoor operations when possible, and to offer indoor operations for those services that cannot be provided outdoors. This Order is in effect beginning immediately.

All other current restrictions remain unchanged at this time. The Reopening Protocols, COVID-19 Surveillance Interactive Dashboard, Roadmap to Recovery, Recovery Dashboard, and additional things you can do to protect yourself, your family and your community are on the Public Health website at <http://publichealth.lacounty.gov>.

The City of Monterey Park will continue to monitor Health Officer Orders and will provide accurate and timely updates. Please continue to check the city website for updates at [www.montereypark.ca.gov/coronavirus](http://www.montereypark.ca.gov/coronavirus).
