Caltrans Lane Closures on the Pomona Freeway (SR-60) Between I-710 and I-605 Freeways for May 2020

Monterey Park, Calif. – May 14, 2020 – The City of Monterey Park is in communication with Caltrans regarding local highway roadwork. According to a [Caltrans news release](#) ...

Caltrans has scheduled a series of 55-hour lane closures on the eastbound and westbound Pomona Freeway (SR-60) between the Long Beach (I-710) and San Gabriel River (I-605) freeways beginning in Summer 2020. The closures are necessary to perform pavement rehabilitation work that will extend the life of the existing lanes by a minimum of 40 years and improve ride quality.

Currently, construction is ongoing Monday through Saturday, 8 p.m. to 6 a.m., with an enforced speed limit of 50 mph throughout the work zone. **All 55-hour lane closures will be limited to Friday through Monday, 10 p.m. to 5 a.m.**, to minimize traffic impacts.

Residents and local businesses located near the freeway may experience noise, vibrations and dust associated with construction activities. Detour signs will be posted. Although **NOT** a full freeway closure, motorists should expect delays and are strongly advised to use alternate routes. Motorists can find real time traffic information at <http://quickmap.dot.ca.gov/>.
