

## Fundraising Activities

Each year, the Cherry Blossom Festival Committee endeavors to raise funds to ensure that Festival programs remain free to the public, while at the same time allowing low cost entry fees to businesses, vendors, and organizations that wish to receive exposure in the community. Donations made to the Cherry Blossom Festival go directly toward the funding of cultural performances, exhibits, demonstrations, children's crafts, and special programs.

## The Festival

April 25 and 26 at Barnes Park  
(350 South McPherrin Avenue)

Celebrating its 23rd Anniversary in 2020, the Cherry Blossom Festival and the City of Monterey Park will be showcasing a wide array of traditional and contemporary Japanese arts, influences, and issues. Over 8,000 people from throughout Southern California attend each year.

Coordinated by local volunteers, the Festival has grown in patronage and in activities, including the promotion of local Asian artists through art exhibitions, theatrical performances, musical performances, and promotion of heart wrenching issues such as breast cancer and WWII.

Entry to the Festival is free, made possible by the many businesses, individuals, and organizations that have taken an interest in this community event and generously contributed and supported the many fundraising activities.
