FOR IMMEDIATE RELEASE:

**55-Hour Lane CLOSURES on the Pomona Freeway (SR-60) Between I-710 and I-605 Freeways**

**LOS ANGELES COUNTY** – The California Department of Transportation (Caltrans) has scheduled a series of 55-hour lane closures on the eastbound and westbound Pomona Freeway (SR-60) between the Long Beach (I-710) and San Gabriel River (I-605) freeways. The closures are necessary to perform pavement rehabilitation work that will extend the life of the existing lanes by a minimum of 40 years and improve ride quality. Currently, construction is ongoing Monday through Saturday, 8 p.m. to 6 a.m., with an enforced speed limit of 50 mph throughout the work zone. All 55-hour lane closures will be limited to Friday through Monday, 10 p.m. to 5 a.m., to minimize traffic impacts.

Westbound SR-60 connector to north- and southbound I-710 will be CLOSED.

The 55-hour lane closures are as follows and subject to change:

**Friday, October 2, at 10 p.m. – Monday, October 5, at 5 a.m.**

Westbound SR-60
Lane Replacement between Atlantic Boulevard and I-710

Residents and local businesses located near the freeway may experience noise, vibrations and dust associated with construction activities. Detour signs will be posted. Although NOT a full freeway closure, connectors and onramps will be affected. Motorists should expect delays and are strongly advised to use alternate routes. Real time traffic information can be found at [http://quickmap.dot.ca.gov/](http://quickmap.dot.ca.gov/)

The project cost is estimated at $107 million. Atkinson Construction of Irvine, California is the contractor.

Caltrans reminds drivers to “Be Work Zone Alert” and to “Move Over”.
