**Early Literacy Tip:**

You are your child's first teacher, and your home is where your child begins to learn.  
 Help children get ready to read by providing opportunities to read, write, play and sing around your home.

**Early Literacy Tip:**  
Children learn language and other early literacy skills by listening to their parents and others around them talk.  
As children hear spoken language, they learn new words and their meanings, they learn about the world around them and they gain important general knowledge– which all helps when they begin to read.
