Written Communication	I am the daughter of Linda Woo and neighbor of Carla Holtmeier and have been a resident of Monterey Park my entire life. I wanted to express my support of the proposed new municipal code to prevent neighbors from blocking original house views with residential fences, structures, and landscaping that Linda and Carla presented at this meeting. Living in the hills of Monterey Park and having our view destroyed by our neighbor was emotional for me, especially since that same view was where my mom would stand outside to wave to me each day when I would walk to Brightwood Elementary School growing up. I would like to prevent residents from having the same issue come up in the future and to protect the value of the house I grew up in.

Written Communication	I am a neighbor of Linda Woo and Carla Holtmeier, who spoke during the public communication session at the April 1, 2026 City Council meeting. I write to express my support for their proposed municipal code to prevent residential fences, structures, and landscaping from obstructing a neighbor's original view. Linda has lived in her home for many years and has been an active and valued member of the Monterey Park community. The beautiful views of the Monterey Park hills are something my neighbors have long cherished and have continued to appreciate as a constant source of peace and perspective, even during life's more difficult moments. Please consider their proposed municipal code into policy and preserve the ability for our neighbors to fully enjoy their homes.

Written Communication	I'm a neighbor of Linda Woo and Carla Holtmeier, who spoke at the April 1, 2026, City Council meeting's public communication session, and I support their proposed municipal code that prevents residential fences, structures, and landscaping from obstructing a neighbor's original view. It is sad and unfortunate that the beautiful view from their backyard is fully obstructed by a fence.
