

CITY OF MONTEREY PARK

COMMUNITY WORKSHOPS

Let's strategize together! The City of Monterey Park is preparing its FY 2020-2024 Five-Year Consolidated Plan and Assessment of Fair Housing.

Engage with other community members to identify community needs.

What are the Consolidated Plan and Assessment of Fair Housing (ConPlan & AFH)?

The ConPlan & AFH are created every five years and assist the City in identifying community needs. The planning process to create the ConPlan & AFH serves as the framework for community-wide dialogue to address housing, economic and community development priorities.

You're Invited! The City of Monterey Park invites you to attend our public meetings to discuss the development of the City's Five-Year Consolidated Plan and Assessment of Fair Housing. For further information, please contact Debbie Sottek, Consultant, at the Finance Department, City Hall, by phone (626) 307-1384 or by email, dsottek@montereypark.ca.gov.
