

RESOLUTION NO. 11951

A RESOLUTION SETTING THE AMOUNT OF SOLID WASTE RATES WITHIN THE CITY OF MONTEREY PARK.

The City Council of the City of Monterey Park does resolve as follows:

SECTION 1. The City Council finds and declares as follows:

A. The purpose of solid waste rates and charges is to protect the public health, safety and general welfare by providing a reliable and safe solid waste disposal system that meets current and anticipated solid waste removal quality standards for the residents of the city of Monterey Park and to pay for the cost of providing such service.

B. Based upon the record, there is a reasonable relationship between the amount of the rates and charges and the cost of services and facilities necessary to deliver solid waste service to the residents and non-residential development of the City.

C. This resolution is adopted in accordance with Health and Safety Code § 5471 to establish the City's current solid waste rates and charges.

D. Notice regarding the solid waste rates included in this resolution was provided in accordance with Government Code § 54354.5 and a public hearing was held by the City Council on August 16, 2017.

E. This Resolution is exempt from review under the California Environmental Quality Act (Cal. Pub. Res. Code §§ 21000, *et seq.*; "CEQA") and CEQA regulations (Cal. Code Regs. tit. 14, §§ 15000, *et seq.*) because it establishes, modifies, structures, restructures, and approves rates and charges for meeting operating expenses; purchasing supplies, equipment, and materials; meeting financial requirements; and obtaining funds for capital projects needed to maintain service within existing service areas. This Ordinance, therefore, is categorically exempt from further CEQA review under Cal. Code Regs. tit. 14, § 15273.

F. The City Council has considered the evidence and testimony presented at the public hearing. Based in part upon that evidence, and the agenda reports presented to the Council regarding this issue, the City Council believes that it is in the public interest to adopt this Resolution.

SECTION 2. AMOUNT OF RATES AND CHARGES. The City Council establishes amount of solid waste rates as set forth in attached Exhibit "A," which is incorporated by reference ("Rates.")

SECTION 3. SUSPENSION OR REDUCTION OF RATES. The City Council may adopt a resolution to suspend or reduce Rates established by this Resolution.

SECTION 4. COST ESTIMATES. The City Manager, or designee, will periodically, but not less than annually, review the Rates to determine whether revenues from such Rates are meeting actual cost of services and facilities needed to deliver solid waste service to the residents and non-residential developments within the City. If the City Manager determines that revenues do not adequately meet costs, the City Manager will recommend to the City Council a revised rate schedule to be adopted by this City Council by resolution.

SECTION 5. PREVIOUS RATES. This Resolution establishes the Rates only; it does not affect any previously established charges or other administrative fees. To the extent any provision of this Resolution supersedes previously established Rates, such replacement does not affect any other charge, fee, penalty, forfeiture, or liability incurred before, or preclude prosecution and imposition of penalties for any violation occurring before, this Resolution's effective date. Any such part of previous approvals remain in full force and effect.

SECTION 6. If any part of this Resolution or its application is deemed invalid by a court of competent jurisdiction, the City Council intends that such invalidity will not affect the effectiveness of the remaining provisions or applications and, to this end, the provisions of this Resolution are severable.

SECTION 7. This Resolution will become effective immediately upon adoption and remain in effect unless superseded by a subsequent resolution.

PASSED, APPROVED AND ADOPTED this 16th day of August 2017.
